**SECTION IV. PET PERMIT APPLICATION**

Tenants who own a pet prior to July 1, 1998, must apply for a permit and file an application with DCHA's Housing Management Department before permission to keep the pet is granted. If a pet

The application shall contain the type of pet, name, age, license number, if applicable, current inoculation information, name and address of pet's veterinarian plus a signed pet responsibility form showing the name of at least two local persons to contact to remove the pet in the event of the tenant's absence.
