Streamlining your employee administration to one vendor just makes sense!

**Would you answer “yes” to any of these questions?
If so, then VSI is the answer for you!**

- Is a full time HR Person not in the budget?
- Having to manage payroll, HR, work comp, benefits, 401K, and other vendors separately?
- Payroll reps constantly changing?
- Do you feel like a “small fish in a big pond” to your current payroll, HR company or benefits representative?
- Is your current vendor floating your tax dollars?
- Are you tired of getting nickel and dimed for every need you request?

The VSI Way...

Visceral Solutions Inc was created to provide small and medium-sized businesses with a payroll, HR administration and Employee Benefits solution that is finally affordable and flexible.

VSI can provide your business an outsourced and streamlined solution to fit your budget and your needs. There are no "boxes" of services and service plans here. You tell us what you need and what you can afford.
