TO AUDITION ON THE  
KERNELCHOIRS.COM SITE FOR A  
TIME SLOT

## **Auditions:**

Auditions will be held after school on Tuesday, February 21 from 3:30 – 6:00pm. You'll need to sign up for a time slot on our website: [kernelchoirs.com](http://kernelchoirs.com)

## **IMPORTANT TIPS FOR A SUCCESSFUL AUDITION:**

Audition slots are 8 minutes long - you'll need to be able to set up, perform and tear down your entire act in this time.

If performing a song, vocal or instrumental, keep in mind that an audience is only likely to be focused for approx. 3 minutes. Cutting your song to that length gives it greater impact with audience and judges alike!

5 microphones will be available on stage at any given time: 3 wired on stands and 2 wireless handheld on stands. No other mics will be available, please plan accordingly. A piano will also be provided if needed but no other instruments will be provided.

If you have a recorded track that will be playing during your performance, please have it on a disk or usb so it can be uploaded to the audio engineer's computer.

Singing is the most popular talent students generally audition with. Increase your chances of making the show by choosing something that will make you stand out. If you plan to sing, choose a song that will feel unique!

You **MUST** wear and do **EXACTLY** what you would plan to do at the show in your audition.

All acts must be school appropriate.

## **IF YOU MAKE THE SHOW:**

**Congrats! Now you need to keep practicing to be sure you're ready!**

**DRESS REHEARSAL is Friday, Feb 24 from 3:30 – 6:00pm in the PAC. Please plan to be there the entire time, you can eat and get set for the show at 7:00pm.**

**PACK THE PAC! There is an audience favorite competent to the competition and so it works in your favor to have as many friends, relatives and acquaintances in the audience as possible. So, spread the word!**

**TICKETS ARE \$5 AT THE DOOR**
