

## **Mozi Privacy Statement**

Last Updated: April 8, 2019

### **Introduction**

Mozi provides an enhanced messaging platform to help individuals and businesses to engage and to make and share plans. Mozi's main office is in Baton Rouge, Louisiana.

This Privacy Statement informs you about our policies with respect to the collection, use and disclosure of information about you in connection with your use of the beta version of our application (the "**beta app**"), which beta app is not available for public download.

### **How to Contact Us**

support@mozisoocial.com

8000 Innovation Park Dr. Baton Rouge, Louisiana 70820. Please contact us at this address if you have any questions about the information in this Privacy Statement or our handling of your personal data, or would like to access, amend, delete or take other action with regard to your personal data.

### **Changes to Privacy Statement**

We may change this Privacy Statement from time to time, including in connection with the release of our app for public download. We will manage your personal data in accordance with the Privacy Statement version that was published on the date that we collected the data about you.

### **Definitions**

These words have special meanings in this Privacy Statement:

"**app**" means our mobile application that we offer in connection with the services;

"**we**," "**our**" and "**us**" refer to Mozi, LLC; and

"**you**" and "**your**" refer to users of the beta app.

### **Data We Collect; Data Collection Purposes**

We do not collect or store any information about you in connection with your use of the beta app through any method and do not use any such data for any purpose.

### **Third Parties**

We do not share information collected about you in connection with your use of the beta app with any third parties, and we do not permit any third parties to collection information about you in connection with your use of the beta app.

**Security**

We protect personal data from unauthorized use, disclosure, corruption and destruction using appropriate technical and organizational measures.

**Data Retention**

We do not retain any information collected about you in connection with your use of the beta app.
