

TO ALL MEMBERS OF NSWAFI

You are invited to attend an Education Night run by the NSW Association of Fire Investigators Inc., on the subject of:

Drone use for Fire Investigation – The good the bad and the ugly

FIRU is the only fire investigation unit in the country with a dedicated RPAS (Remote Piloted Aircraft System). It has been operational for 12 months now and it has been a capability which has enhanced fire investigation techniques. Wayne Schweickle has been the RPAS pilot for FIRU and this presentation will be about the implementation of an RPAS for FIRU as well as the good and bad things he has experienced during this time. He will also look to the future and see how RPAS will evolve in future investigations.

Station Officer Wayne Schweickle has been a Fire Investigator with FIRU for 4 years. He was one of the first RPAS pilots to be trained within FRNSW. He has been with FRNSW for 19 years.

VENUE: Ryde-Eastwood Leagues Club
ADDRESS: 117 Ryedale Road West Ryde
WHEN: Thursday, 3rd August 2017 TIME: 18:30 hours
