

TO ALL MEMBERS AND GUESTS OF NSWAFI

You are invited to attend an Education Night run by the NSW Association of Fire Investigators Inc., on the subject of:

Electric Vehicles

Tesla presentation

As the presence of Electric Vehicles on Australian and New Zealand roads grows, the number of these vehicles involved in car accidents and fires also increases. This presentation is being given from a Tesla employee from the US that will talk about the effect electric vehicles have had on emergency services and how they do their job at a rescue involving an electric vehicle or conducting a fire investigation. He will also provide specialist training in relation to safety considerations for first responders and fire investigators.

Topics which will be presented include:

- Vehicle models, overview and layout
- Battery construction
- Crash site safety
- Thermal event considerations
- Extrication

The presenter is Mike McConnell who is the Tesla Technical Ambassador, Emergency Response and Abuse Test & Engineering. He is based in Palo Alto, California.

VENUE: Fire and Rescue NSW Emergency Services Academy.

ADDRESS: 5-7 Distribution Drive, Orchard Hills

WHEN: Thursday, 27th June 2019

TIME: 17:00 hours.

Please arrive by 16:30 hours.

RSVP: Monday 24th June 2019

There is no parking on site, parking is available on Distribution Drive. Everyone attending will have to undergo a site induction and obtain a pass to the site which will have to be worn at all times.

REMEMBER: You do not need to be a Fire Investigator to attend these evenings.

Please note that RSVPs are no longer taken by email. Instead, please complete the booking form on the NSWAFI website. If you are not a member of the NSWAFI the cost of attending this education night is \$10, which can be paid through the website. The booking form is located on the main menu under 'Event Calendar' or at:

<http://www.nswafi.com.au/booking-form/>.
