

Schleswig-Holstein artist and German Rotarian Rups Leiss (who we had the pleasure of meeting one year ago at one of our local meetings). Home stays with German Rotarians are available.

Saturday, September 22

Danish Day! We'll take an excursion across the border into Denmark to see the summer castle of the Danish queen and get a taste of an area which has belonged to two different countries. And of course, no trip across the border would be complete without feasting on the very best hot dogs in the world, a pleasure we'll savor when we're hosted by the German minority in Denmark at Anni's Kiosk overlooking the Flensburg Fjord

Sunday, September 23

The world of Schleswig-Holstein is your oyster, as you enjoy activities organized by the three Flensburg RC's ranging from sailing at one of the world's best resorts, shopping, bar hopping, and excursions to any sight in northern Germany that you'd like.

Monday, September 24

Departure from Hamburg airport with arrival in Minneapolis the same day.

Tour Price:

The price of the tour is around \$1890.00 with lodging, breakfast, dinner, entrance fees, transportation, and gratuities included. Since group bookings for air transportation are more expensive than individual fares, each traveler should book his or her flight, but we'll support the computer booking of those tickets.

From a former Tour-Member:

"Joachim (Yogi) Reppmann, dual resident of Flensburg and Northfield, and Dietrich (Dee) Eicke, led our tour and opened doors to civic and cultural leaders who helped us understand the history and politics of this region of Germany (especially in the turbulent times from the mid-19th to the mid-20th century). We were impressed with the pride taken in the respectful relationships now prevailing between Germany and Denmark."
