

# Community Alley Art Project

*In Honor of Jacqueline Shirelle Allen 1986-2015*

## A PAINT BY NUMBER ACTIVITY

Come out and meet your neighbors as we beautify the alleys of Skyland North City Park

**WHEN:** Saturday April 25, 2015

**WHERE:** Rear of 3119 Josephine Street

**TIME:** 10 AM - 2 PM

**FOOD:** Lunch will be provided.

**MISSION:** Alleys play an important role in American culture. Transforming the alleys' untapped landscape through the *Back Alley Art Gallery* legend project instills pride and ownership as we teach future generations sustainability within communities. Conservation through beautification projects such as these shows city and state workers we care about community. Residents and property owners contribute to the overall beautification of our alleys by bringing civic community and neighbors together working towards a common goal.
