The School Board of Broward County, FL - Background Screening:

IMPORTANT - READ BEFORE COMPLETING THIS FORM

The School Board of Broward County will receive information on all records, including juvenile, that have been sealed, expunged, or where adjudication was withheld. To omit a response or to be untruthful in your response, regardless of any previous information received from an attorney, a judge, or any third party will be considered falsification and is a cause for dismissal from employment, consideration for employment, denial of clearance to enter onto school grounds and/or participate in the activity for which this background screening is being conducted.

At the time of your background screening, fingerprints will be researched by local, state and federal law enforcement agencies. Sealed or expunged records must be revealed to the School Board of Broward County pursuant to F.S. 943.0585. Your employment with the Broward County School District is temporary and probationary pending successful processing of your background. The following questions must be answered truthfully. A "Yes" answer to any of the following questions does not automatically deem you ineligible. However, to omit a response or to be untruthful in your response, regardless of any previous information received from an attorney, a judge, or any third party will be considered falsification and is a cause for dismissal from employment, consideration for employment, denial of clearance to enter onto school grounds and/or participate in the activity for which this background screening is being conducted.

- Yes No 1. Have you ever been convicted of an offense (misdemeanor or felony) other than a minor traffic violation? (Driving under the influence (DUI) and Driving under intoxicated [DUI] convictions are not minor and must be reported.)

"Convicted" has the same meaning as in Florida Statute 943.0435. Specifically, "convicted" means there has been a determination of guilt as a result of a trial or the entry of a plea of guilty or nolo contendere, regardless of whether adjudication is withheld, and includes an adjudication of delinquency of a juvenile as specified in this section. Conviction of a similar offense includes, but is not limited to, a conviction by a federal or military tribunal, including courts-martial conducted by the Armed Forces of the United States, and includes a conviction or entry of a plea of guilty or nolo contendere resulting in a sanction in any state of the United States or other jurisdiction. A sanction includes, but is not limited to, a fine, probation, community control, parole, conditional release, control release, or incarceration in a state prison, federal prison, private correctional facility, or local detention facility.
