

Sewell Park PTFA suggests things to do (mostly for free) this summer

Do the **GoGoHares!** trail in the city ... and perhaps the leverets trail and country 'moongazer' hares trail too. Intu Chapelfield have funded a beautiful souvenir poster for the leveret trail. You can pick up one of these at the intu Chapelfield Gallery (dining terrace) - be quick: limited print.

You could also download the GoGoHares App for just £1.99 which has all 3 trails on it. £1.00 goes directly to Break, supporting young people leaving care.

See Sewell Park's leverets ...

Mija's *GoGoVincent* is inside Stevenson's uniform shop on Ber Street NR1 3AD ...

The Y9 *Ice Cream leveret* is at Café Pure on St George's Street, which you probably pass on your way into the city – NR3 1AB.

Check out what's on at **The Forum** – also more info here about the GoGoHares! trail

Go to your **local library** – see what's on and borrow a book ... travel to another world for free!

<https://www.norfolk.gov.uk/libraries-local-history-and-archives/libraries/your-local-library/locations-and-opening-times>

Arrange to meet your friends at **Open Youth Venue** (NR2 4SF), if you haven't already been to look round – then look at all the things you can do during the holiday. (Note some events are age-restricted/not free)

Get some free fresh air – get some friends together and go for a **walk!**

... Or a **bike ride!** <https://www.norwich.gov.uk/info/20187/cycling/1312/pedalways/2>

This website is popular and useful: <http://www.freestufftodoinnorwich.co.uk/> (Two main sections – special events for the day you click, plus another click for **free stuff** you can do **every** day.)

Thanks to Miss Taylor for her help with this list of ideas. It will also be on the school website so you can click on the links. <https://www.sewellparkacademy.co.uk/>

Please remember that many of these sites are updated by/written for adults ...

Make sure you talk to your family about what you'd like to do, and make sure they know where you are. **Please be sensible and stay safe, especially around water.**

We hope you have a relaxing and enjoyable summer holiday!
