

Two graduate student positions (PhD and MSc) in Montreal

Two positions (PhD and MSc) are available in the laboratory of Dr Mohammad-Ali Jenabian, the holder of the Canada research chair in Immuno-Virology, at the Department of Biological Sciences and BioMed research centre, University of Quebec at Montreal (UQAM), to work on a CIHR-funded research project on the regulation of immune system and mucosal immunity during HIV infection.

Qualifications :

- BSc or MSc in immunology, microbiology, biological sciences, biochemistry or a related field.
- Strong interest in working with human specimens and HIV.
- Laboratory experience in cell biology, molecular biology, flow cytometry and immunology.

Relevant publications :

<http://www.ncbi.nlm.nih.gov/pubmed/?term=jenabian+ma>

Salary :

A competitive salary is guaranteed based on the CIHR salary ranks

How to apply:

Please submit your CV, a cover letter, your transcripts, and the names and contact information of three referees in one PDF document to Dr Jenabian (jenabian.mohammad-ali@uqam.ca).

Potential candidates will be contacted for an interview.
