

PowerPoint Reporting Theme and design examples

by chartandtable.com

We create 10, 100 or 1000 PowerPoint reports from your data - using your PPT theme

Assign copy and paste to the past
- let us automate your reports!

We create reports from...

- ▶ Customer satisfaction studies
- ▶ Employee studies
- ▶ Brand tracking studies
- ▶ Benchmark studies
- ▶ Financial data

We use your PowerPoint theme and design to create reports with the right colours, fonts, images and layout.

Keeping your brand on track.

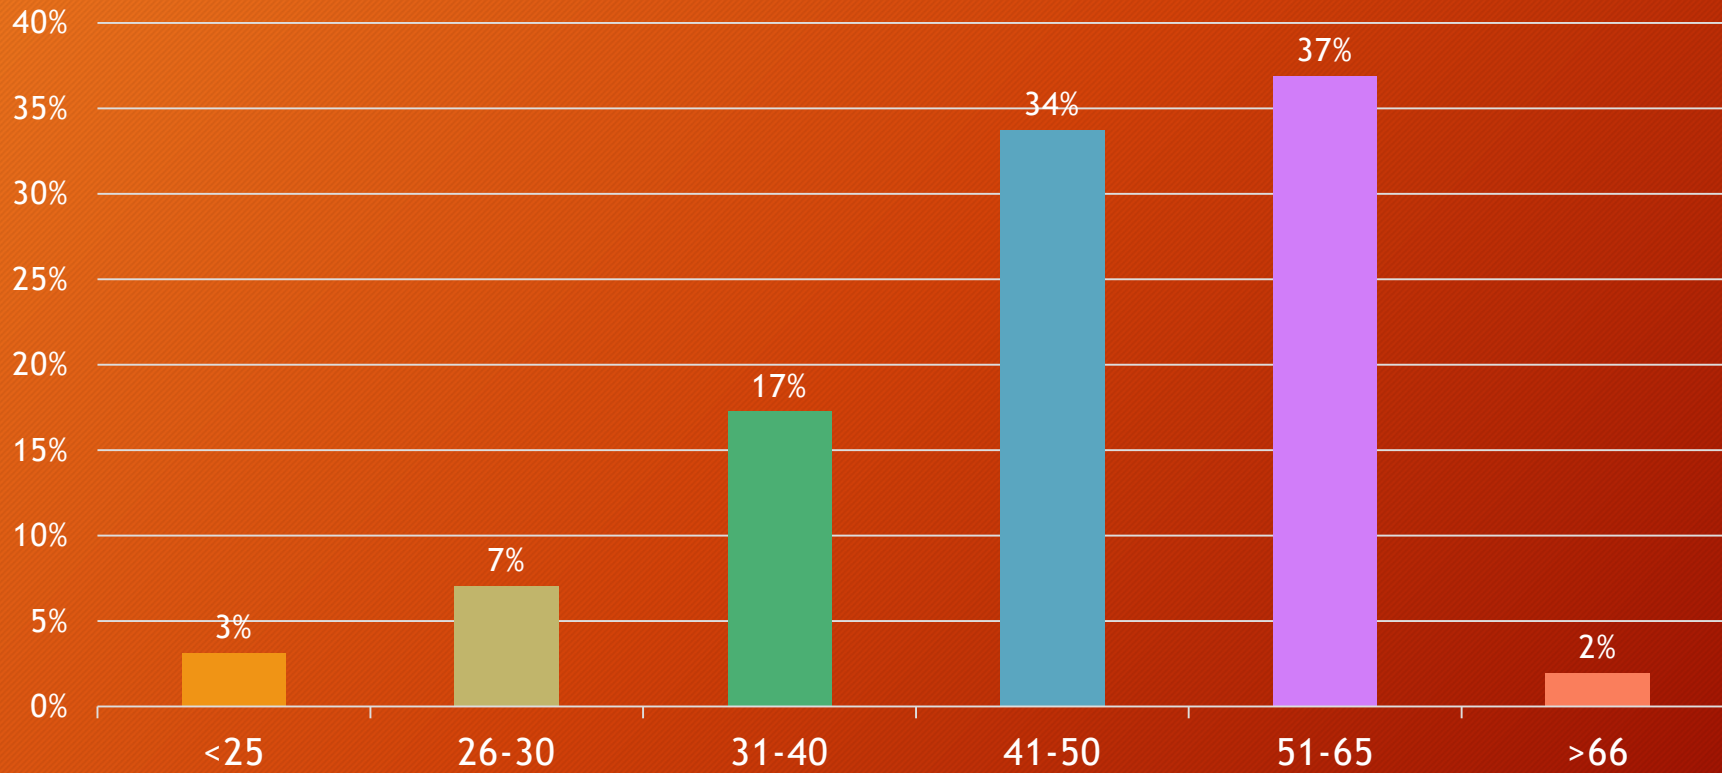

On the following pages some examples of PowerPoint themes and design that we have delivered.
