Club Captain Comment

Welcome to the end of the season :)

2019 has been another great year for the Wharfies. We have had another good turn out of elite and social footballers playing the beautiful game - including an increase in our female stocks with the introduction of a Women's Reserve side.

Our Integration Work's Men's Central League have kicked on bigger and better than last year with consistent performances which were on a par with anyone in the league. Well done to coaches Crumpy and Sam, as well as captain and golden boot contender Tor the Hammer. The integration of the Swifts Talent Centre into our Men's Third Team, as well as the Reserves, has produced a real pathway for our young talent.

Our William Calder Women's W-League team have had an outstanding season - firmly in the top half of the table and pushing for second in their debut year. Bill, Nigel, Craig, and all the players have worked hard for their success.

On the more social side - the Masters 1 Dreamers have picked up another league title and currently sit at a record 52 consecutive wins! Well done to gaffers Brodie and Abes.

Other sterling performances have come from the Magpies (fourth in Capital 4) and the Rinston Weid's who were promoted into retained their place in Capital 6.

Another success has been the weather this season as we have had minimal cancellations, with the only blight on the fields was the mud patch on #3 as a result of a game in the terrible weather a few weeks back. The clubrooms bar has been well supported - so thanks to everyone who wet their whistle.

Lastly, a thank you to Denise Gumabay for producing the Magpie programme and to Duncan McLaren for his printing assistance. You guys are legends!

See you at the End of Season Prizegiving Sept 7th!

Coaches Comment

Welcome to Magno and the North Wellington squad for the final game of the 2019 Central League season.

We've made some really good progress this season with a young group of which most have come through the club or region. These guys have barely started to scratch their potential so we're looking forward to seeing what they can do next season and who will make the step up again from the reserves.

I'd like to thank all our supporters, the Executive committee and our volunteers for helping us get out on the pitch each week. We have a great group of people who make it all happen, we really appreciate all your work!

Thanks to Sam, Mike, Gaz and Raph. The squad wouldn't be in the mood and position it is without your selfless attitudes and commitment to the cause, we're so lucky to have you.

Finally I'd like to thank the players for all the work you've put in this year. It's been an absolute pleasure to work with you and watch the football you can play, it's a privilege to help you train and get better each week.

Catch you in the clubrooms and hope everyone enjoys a good break until next season.

Cheers Crumpy
