Event Rules:

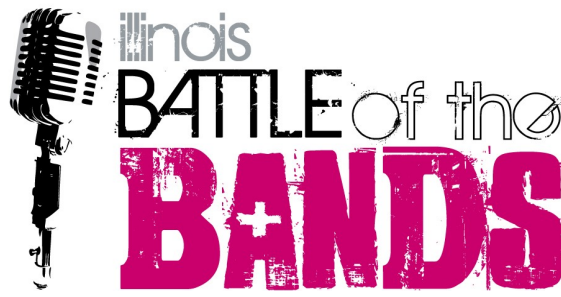

For the purpose of this competition, a band is defined as "having a minimum of 2 members with at least 1 member playing an instrument through the majority of each song." Band members must remain the same throughout the competition. Bands must be unsigned from a record label or agent, and be based in Illinois. All persons performing on stage must be listed on the entry form. Each band member must sign the entry form acknowledging that they have read and understand the rules for this event. Band members under the age of 18 must also have a guardian's signature.

All band members must be between the ages of 12-21 (and 1/2 of the band must be no older than 19 years of age as of August 18, 2019.) Band members should be prepared to show proof of age at each level of the competition.

The performance must be suitable for a family audience. Band names, lyrics, appearance, and performance must be free from obscenities and references to drugs, sex, or alcohol. Band members (regardless of age) may not use or possess drugs, alcohol, and tobacco during the event. In order to keep everyone safe, bands who encourage moshing or any other potentially dangerous acts may be disqualified.

Bands must supply their instruments and any other equipment not provided by the host site. A sound system *may* be provided at the regional and will be provided at the state level. Bands are responsible for the security of their equipment and the event organizers cannot be held liable for any lost, damaged, or stolen equipment or for any injuries that band members or their associates incur in conjunction with the competition. Fires, pyrotechnics, fog machines, etc. are not allowed. Event organizers reserve the right to make any necessary changes to contest rules and have the final word in any disputes that should arise.

Your host site may have additional rules and requirements not listed on this form. Contact the Event Supervisor directly for more information or clarification.

Band name: _____

(Give each category a score of 1 to 10 – one being poor and ten being outstanding.)

STAGE PRESENTATION

(Are they confident, enthusiastic, energetic, etc.? How is their appearance? Is their performance appropriate to their musical style?)

Comments:

STAGE MANAGEMENT

(Do they transition smoothly from one song to the next? Do they say things on stage to advance the band or instead do they make excuses (“We suck today because...”) or say irrelevant things? How do they react when something goes wrong? Are they within their time limit? Do they follow rules set for them and/or cooperate with event staff?)

Comments:

SOUND QUALITY/CLARITY/MUSICIANSHIP

(Do they sing/harmonize well? Can you understand the words? Are they on key? Are the instruments played well? Do they demonstrate an awareness of dynamics, pitch, phrasing, etc.?)

Comments:

SONG QUALITY and ORIGINALITY

(Does chord and rhythm structure go beyond basics? Is the desired musical style achieved? Was there a good blend/ balance of instruments? If there are lyrics, what do you think of them? Are they playing original music or covers (or do they put their own spin on the covers?)

Comments:
