

PROJECT RESTORE

September 2, 2017

Over a hundred families in Southwest Louisiana were drastically affected by Hurricane Harvey. Project Restore has a goal of helping at least 50 families that need immediate assistance. Families have been displaced, some still living in unbearable conditions. With your help, we will be able to move swiftly to place families back into their homes.

Your contributions, donations, and or purchases will be greatly appreciated. We urge you to please consider donating. Your donation dollars are used to defray the cost of families relocating and rebuilding their lives. Please feel free to contact me should you need more information. We look forward to working with you and/or your organization on this occasion as we help restore our communities.

(Supply Donations (Preferred))

(We have included a list of materials that are needed on the attached page)

Drop off Location: 2712 Kirkman Street Lake Charles, La 70601

For Pick up: Contact Joshua Vallaire (832) 572-2591
