

Roo's Rookie Ball

Our primary objective is to transition Tee Baller's to Baseball.

What's the difference between Tee Ball and Rookie ball? Players are required to hit a moving ball that is delivered by a mechanical pitcher, controlled/operated by the Umpire.

This league is for Under 11's (7 to 10 years)

- Parent **HELP** is **ESSENTIAL**

Our priority is to develop players hitting, throwing and catching skills in preparation for 'Player Pitched' baseball while also emphasizing our clubs core values;

Sportsmanship, Team, Competitive Spirit & Club Spirit

The Wanneroo Giants have a comprehensive Junior Development strategy and Little League WA provide great pathway opportunities.

Every season our Roo's also participate in the **Little League State Championships** held across the Easter weekend. A fixtured tournament that runs 4 days, always great fun and an awesome experience for players and families alike!
