

A&E App Introductory Offer

To help launch our A&E app we are offering the **first 5** organisations to sign up a **1/3** off in exchange for becoming a reference site!

A&E App Introductory Offer

	Regular Price	Offer Price	Saving
Initial Purchase & Implementation	£50,000	£40,000	£10,000
Annual Support & Maintenance	£10,000	Free (for First Year)	£10,000
Total	£60,000	£40,000	£20,000

Return on Investment:

We believe that if your implementation has the full support of your organisation, its benefits and its ability to improve performance whilst reducing costs such as agency spend and penalties, you'll recoup the implementation & support costs within a matter of months!

Did you also know.... that achieving your agreed A&E trajectory is worth 12.5% of your Sustainability & Transformation Fund Income that could be worth £millions?!

Prerequisites

In order for us to implement the app you will require:

- ✓ Full engagement of your Trust
- ✓ Qlikview
- ✓ Access to your live A&E data / system (whilst on-site)

Implementation

We require a minimum of 4 weeks notice to schedule an on-site installation.
The installation & configuration of the app will typically take a week to undertake.

For more information about the A&E app or any of our other BI apps please contact the WWLBI team via:
