

The mission of the Arkansas Sports Hall of Fame (ASHOF) is to (a) honor and preserve the history of individuals who have brought honor, prestige, and fame to the state of Arkansas through outstanding achievement, accomplishments, and contributions in amateur and professional sports and (b) encourage and promote higher education through the funding of scholarships to deserving student-athletes.

The ASHOF awards nine \$1,000 scholarships to deserving Arkansas student-athlete high school seniors. The winners of these scholarships will be presented at the ASHOF's annual Induction Banquet, which will be held next year on March 13, 2020, at the Statehouse Convention Center in Little Rock Arkansas.

These scholarships will be based on written essays and will be awarded to 4 male and 5 female student-athletes who will be enrolling in Arkansas colleges in the fall of 2019. The ratio of male/female recipients will be alternated each year. All scholarship funds will be awarded directly to the Arkansas college that each student will be attending. A distinguished panel of ASHOF Board members, some of whom are also ASHOF inductees, will screen and review all essays submitted, and all winners will be notified by February 1, 2020. All decisions of the ASHOF will be final.
