JUNIOR COUNSELORS

Spend your summer doing something meaningful, while learning and growing as a leader!

WHAT IS A JUNIOR COUNSELOR?

A TRADITION OF CAMP WENONAH

The Junior Counselor program goes back deep within the Camp Wenonah history. Decades of families have been to camp, both as campers and Junior Counselors. As a Junior Counselor, you commit to three weeks of Camp to serve as a counselor-in-training and support the growth of the program. Junior Counselors learn how to facilitate programming with youth participants, develop skills in communication and problem solving, and learn all about the daily life of a camp counselor.

For students who have fond memories of summers spent at camp, Junior Counselors is a great way to gain a similar camp experience but in the capacity of a leader.

HOW DOES IT WORK?

Junior Counselors must submit a Volunteer Application through the Winona Family YMCA to the School Age Director, Alexa Shapiro. Alexa will conduct interviews with Junior Counselors, selecting a team of candidates to serve three weeks at a time (see dates below).

Before camp begins, Junior Counselors must attend an orientation to meet their counselors and learn about their role as a Junior Counselor.

Junior Counselors are expected to be available to volunteer for three weeks at a time, with one half day off a week. Camp runs from 8:30 am—4:30 pm, Monday-Friday.

Camp Weeks:

Session one: June 10–14, June 17–21, and June 24–28

Session two: July 8–12, July 15–19, and July 22–26

Session three: July 29–August 2, August 5–9, August 12–16

Junior Counselors can serve multiple sessions a summer, if desired.

FREQUENTLY ASKED QUESTIONS

IS THERE A REGISTRATION FEE?

The Junior Counselor program is free to participate in!

HOW DO I SIGN UP?

On the YMCA's website, go to the Camp Wenonah tab. Under there, you'll find information about Junior Counselors, including an application form. Once you complete the form, send it back to Alexa Shapiro at ashapiro@winonaymca.org. She will contact you to schedule an interview.

HOW ARE JUNIOR COUNSELORS SELECTED? ARE THERE LIMITED SPOTS AVAILABLE?

Junior Counselors are selected based on their interviews and references. Candidates with experience at Camp Wenonah or summer camps will be given preference as Junior Counselors, however any candidate who expresses an excitement and passion for the position will be considered. There are limited spots available per session.

WHAT IS EXPECTED OF JUNIOR COUNSELORS?

Junior Counselors are expected to arrive on time each day and be available for the entire day, with the exception of their pre-determined, optional, half day off. Junior Counselors are expected to follow the directions of their counselors and onsite supervisors, and demonstrate respect for those around them. They are also expected to serve as role models for campers, demonstrating the core values of the YMCA of honesty, respect, caring, and responsibility.

ARE THERE ANY PROGRAM BENEFITS?

Junior Counselors will receive a Camp Wenonah T-Shirt. They will be given a healthy snack each afternoon with the campers, and they will be invited to attend the Family Night on Thursday as well as the Thursday Overnight.

Junior Counselors who demonstrate the strengths and values of our counselor staff will be considered first for employment in following years, once they are 18 years of age or older.
