### SCHOOL APP

Thank you to the families who have already downloaded and are using our school app! This is already saving time for our office staff each morning for absences, and the parents we have spoken to have also said it is saving them time and is so easy to use.

We also have a calendar and notices and newsletters are stored on here.

If you haven't already, go to your app store and download SchoolAppsNZ.

Once you have the app on your phone, open it and it will ask you to search for your school. Enter Kawerau Putauaki School.

Please see this video for more information --
