Dear colleague,

Please join us for a meeting to discuss the development of the long term plan for cancer, as part of a long term plan for the NHS.

**3pm – 5pm, Monday 23<sup>rd</sup> July, De Vere Holborn Bars, 138-142 Holborn, London, EC1N 2SW.**

The event will be hosted by Cally Palmer, National Cancer Director, and Chris Harrison, National Clinical Director for Cancer.

This is an important moment to come together to discuss:

- The vision for the plan, building on the ambitions of the Cancer Taskforce Report and the strong progress being made through the NHS Cancer Programme to improve cancer outcomes across England.
- How the plan will be developed over the summer.
- How your organisations and the patients, families and others you work with can contribute timely and achievable ideas together with the evidence and actions to shape a strong and deliverable plan.

The meeting will be held in central London. A full agenda and venue details will be shared soon and if you are unable to attend, please feel free to nominate a representative from your organisation.

Please could you confirm your attendance by emailing [england.cancerpolicy@nhs.net](mailto:england.cancerpolicy@nhs.net).

We look forward to a productive meeting and continuing to work with you to improve the lives of people with cancer.
