NHSE/I - Specialised Commissioning Patient & Public Voice (PPV) Roles

Specialised Services are currently recruiting to a range of vacancies for PPV partners, which include roles across our PoCs (Programmes of Care), various CRGs and the independent member roles on PPVAG (Patient & Public Voice Assurance Group).

Patient and Public Voice (PPV) partners play a crucial role and are represented across the board on the NHS England and NHS Improvement advisory groups and governance structures to ensure that the views of patients, carers and the public are at the heart of all we do.

Details of the current openings are available here:

Best wishes,

Jane Lyons
