

All Members Meeting
Tuesday 24 January 2018 – 10am – 1pm
Community Hall, St Anne's Soho, 55 Dean Street, London W1D 6AF
AGENDA

Time	Speaker	Topic
10.00	Registration, refreshments and networking	
10.10	Jonathan Pearce Chair, Cancer52	Welcome and introductions
10.15	Dr Jem Rashbass National Director Disease Registration and Cancer Analysis Public Health England	Progress on delivery of high quality, timely data and analysis - how is access to data for rare and less common cancers improving?
10.45	Jo Lenaghan Director of Strategy and Workforce Planning Health Education England	The Cancer Workforce Plan Phase 1 was published at Britain Against Cancer at the end of 2017. Now we have an opportunity to discuss with Health Education England what the very early thinking for process for phase 2 looks like and how we keep rare and less common cancers on the agenda. Input from Cancer52 members welcomed.
11.25	Coffee break	
11.35	Becky Clack, Programme Manager (Living With and Beyond Cancer) and Niall Smith, Communications Manager Both of National Cancer Programme Operations & Information Directorate NHS England	Living With and Beyond Cancer – a discussion about what Cancer52 members are doing in this area, health and wellbeing support offers for patients, how NHSE can address some of the barriers and challenges and opportunities to work together. Engagement – a chance for Cancer52 members to hear about NHSE communications and engagement plans and how to stay involved with the programme.
12.15	Heidi Livingstone Public Involvement Adviser, Public Involvement Programme and Jenna Dilkes, Programme Manager - Planning and Operations Technology Appraisals, Both of NICE	A second consultation on changes to the technology appraisal process at NICE is about to launch. Key speakers from NICE will explain more about the process, how the changes will affect patient involvement and will be keen to answer questions/gain feedback from Cancer52 members.
12.50	Meeting closes; networking opportunity	
13.00	Room closes
