Successful Gardiner believes we have an opportunity, right now, to direct the changes that are happening in Gardiner before it is too late. We are hosting a community wide discussion about how we can work together to make sure our community remains the authentic, vibrant, and healthy community that we all love. During February and March, we are collecting your stories to help us to identify our shared values and what we want Gardiner to be like in the future.

Please join us in this important conversation!

HOST YOUR OWN CONVERSATION

IT'S EASY! HERE IS HOW...

Find someone to talk to - a friend, a family member, your neighbors, coworkers or strike up a conversation with the person sitting next to you. Share your thoughts about the 3 questions on the front of the flyer.

Make it fun! Chat over a coffee, at happy hour, on a park bench or while share a meal.

Record your conversation on your phone, make a video, or simply write your stories down.

Don't forget to share your stories with us! Share via email to successfulgardiner@gmail.com. (Or if you typed it, you can post to the website community forum page.)
