

2019 March for Life Small Group Request Form

This form is the way students and chaperones can request to be paired with other participants. Your small group code is meant to ensure that you sign **one and only one** small group request form. Each name must be added to this form by each individual student (or chaperone) using their unique and personalized small group code that they received after completing registration. Participants requesting to be placed in this group must not list their name on any other small group request form or their request will be voided.

WE WOULD LIKE TO BE PLACED TOGETHER IN A SMALL GROUP IF POSSIBLE, THANK YOU!

Note: It can be nice to be paired with your friends, but please understand that this event is a *pilgrimage*. In addition, many of the events including the March, the Masses, visit to Mt. St. Mary's Seminary, and meals are all done in large-group settings, so actual time in small groups is rather limited. Some requests, due to limited space or other concerns, will not be able to be accepted, and all small group requests are subject to change at any time for any reason if determined necessary by MFL pilgrimage organizers. Small group requests must have between 2-9 participants (8 students) listed on this form. Requests cannot be altered once submitted. Requests will be processed in the order received. Parents / chaperones will receive a confirmation email by Dec. 20th detailing tentative status of request.
