Letter to Raymond, NH residents

*Re: Retirement*

Dear friends:

It is with both great excitement and fond sadness that I announce my formal retirement from the position of Police Chief for the Town of Raymond, New Hampshire. It has been an honor to lead the Raymond Police Department for the past 18 years as your Chief of Police. During these years I've had the opportunity to serve a community filled with caring and genuine people. Raymond in so many ways defines the very meaning of community, a place where neighbors and friends care for one another. Being a part of that tightly woven fabric has made this time enjoyable and the years slip quickly away.

Leading and shaping Raymond Police into a professional and progressive law enforcement agency was only possible through the efforts of many. I owe many thanks to supportive town managers, selectmen, town staff, boards, residents, officers, dispatchers, fellow employees and the many lasting friendships created through the years. I have worked shoulder to shoulder with the finest law enforcement officers, dispatchers and staff in the State. I am proud to leave behind a department rich with achievements and prepared for the future. One capable of serving and protecting a growing and bustling community nestled in the fastest growing region of our State.

This was a very difficult decision to make, although it was eased by knowing what capable hands I am leaving the department in. I will work over the next several weeks to ensure a smooth transition of authority to Captain Michael Labell.

While I look forward to enjoying my retirement and entering a new career, I know that I will miss the community I serve, the progress we have achieved, and the friends I have made.

Yours truly,

*David T. Salois*
