

RAYMOND POLICE DEPARTMENT

PROPERTY RETURN REQUEST FORM

Property other than bicycles can only be returned by the Property Room Officer. The Raymond Police Department utilizes one Property Room Officer; due to this there may be a delay in receiving your property.

If you are seeking the return of a firearm or other type of weapon seized as part of an arrest or restraining order, you must first file a "Motion to Return" with the court. Weapons will not be returned without a motion from the court granting the return.

All other property that may be returned pursuant to state law will be returned as soon as possible. **Please complete the form below, which will expedite the return of said property.**
