The Center of Excellence in Education Presents  
ACLS-EP –Advanced Cardiac Life Support for the Experienced Provider  
Barbara Furry, RN-BC, MS, CCRN, FAHA, CEE Director

REGISTER TODAY for ACLS-EP. CEE is an authorized training center for the American Heart Association (AHA). These courses are AHA content and 2015 Guidelines for healthcare providers including physicians, nurses, nursing students and medical specialists. Students are REQUIRED to obtain the appropriate provider manual and complete the pre-course assessment prior to class.

Are you ready for the challenge?

An alternative for ACLS providers who wish to renew their provider status. ACLS-EP is an expanded course designed to challenge experienced providers rather than repeat information in the ACLS provider course. A stimulus for expert clinicians and scientists to identify the many areas in resuscitation that require a different approach from that of the basic provider course. Experienced ACLS providers learn new information.

Upon completion of this program, the healthcare professional will be able to:
1. Identify the roles of Cardiology - Toxicology - Environmental - Electrolytes during adult cardiac life support.
2. Assess and manage critical cardiovascular emergencies which include early heart attack symptoms, treatment and prevention of SCD.
3. Demonstrate the role of the experienced resuscitation team and identify what to do and when to do it.
4. Describe the experienced provider’s role handling a bioterrorism emergency.
