

# Spring Cleaning

## Tips for your best skin

**As your skin changes due to the season, so should you're at home skin care regimen**

*Did you know you can save on your boutique purchases by becoming a Pearl Life Member?*

### **Receive a facial treatment that includes a chemical peel**

*THE pearl offers several facial treatments that incorporate a chemical peel, such as THE mandarin pearl facial. Our results oriented peels are offered as an addition to any facial as well.*

### **Sun protection is important now and all year long**

*Kerstin Florian's SPF Serum turns your favorite moisturizer into the perfect sun protection.*

### **Incorporate seasonal fruits and veggies into your diet**

*Howard County has some great farmer's markets including one right here in Maple Lawn. For more information visit [www.howardcountymarkets.com](http://www.howardcountymarkets.com)*

### **Clean up the inside for glowing , radiant skin**

*THE pearl is proud to be one of the few locations in the the United States to offer The Beauty Chef, an organic range of superfood skincare supplements that promote a healthy body, beauty and belly.*

### **Overhaul that makeup bag, think lighter and brighter**

*Did you know that you can schedule time with one of our talented make-up artists complimentary? Bring in your make-up regime and let us assist you in updating your look for the Spring and Summer months.*
