

CELEBRITY CRUISES EUROPE OFFER FOR 2019 ON BRAND NEW SHIP CELEBRITY EDGE

A ship designed to leave the future.....

Celebrity EdgeSM marks a turning point in our approach to ship design. From the very first sketches to experiencing those designs in a virtual reality setting, every step was done in 3-D. From the incredible new Magic Carpet to the private plunge pools in our new 2-story Edge Villas, we could design the most refined ship at sea. The unique outward facing design breaks from traditional ship design. Aboard, you'll feel more connected with the sea and the places you'll visit in a variety of spaces ranging from our Edge Staterooms with Infinite Verandas SM, to our reimagined, terraced pool deck that offers even greater views of the destinations and shimmer of ocean.

Highlights of Edge with Infinite Veranda

- Designed by World-famous Interior Designer Kelly Hoppen.
- They're 23% larger than our Solstice® Class Balcony rooms, and with the touch of a button, you can transform your entire living space into a balcony – letting you walk right out to the water's edge and giving you open air access to the sea, whenever you wish.
- With in-room automation you can control everything from lighting, to temperature, and service with a simple touch screen (including a setting that lets you choose being tucked in and gently woken up in the morning).
- Each Edge Stateroom will include Celebrity's new Cashmere Collection, featuring mattresses handcrafted in Italy.
