SUGGESTIONS TO EXHIBITORS

EACH EXHIBITOR MUST REGISTER WITH THE SECRETARY AND OBTAIN AN ENTRY NUMBER BEFORE HE CAN ENTER AN EXHIBIT!

1. Our exhibitors of previous years are again invited to exhibit at the coming Fair. We hope the former exhibitors will be with us again and that they will interest others in the county in entering exhibits this year. We take this opportunity to thank the public for its wonderful cooperation.
2. Study the Premium List carefully and make your entries according to the entry list.
3. Select uniform produce and prepare it as attractively as possible.
4. Be sure your product is entered in its proper class.
5. See the rules at the beginning of each division.
6. The Fair is for an educational purpose, to stimulate better living conditions in our rural areas through the improvement of our livestock and farm produce.
7. The Fair reserves the right to refuse any or all entries.

HEALTH RULES FOR ALL LIVESTOCK

All animals must be accompanied by the required paperwork upon arrival and will not be unloaded until such paperwork is verified by the department chairman.

All animals presented for exhibition will be subject to inspection by show officials and will be rejected if evidence of infectious, contagious or parasitic disease is apparent or if health certification or identification documentation is not acceptable.

It is recommended that all show animals be isolated from the other members of the herd or flock for 2-4 weeks to help prevent the spread of disease. Required:
1. A Certificate of Veterinary Inspection (CVI) issued after May 1 of current year.
2. All animals must be free of infectious and contagious diseases and a statement of this is required on the CVI (the statement is preprinted on the CVI). Animals appearing unhealthy upon arrival may not enter the fair grounds.
3. All exhibitors must sign the entry blank to confirm the "vet-client-patient relationship".
4. A current (30 day or more and not more than 12 months from open) rabies vaccination administered by a licensed veterinarian is required for animals 3 months of age and older. If a mare was currently vaccinated against rabies when she foaled, the foal is not required to be vaccinated until six months of age, with a second vaccination administered two to four weeks later. All vaccine label directions must be followed, and all rabies vaccinated animals must be accompanied by a rabies vaccination certificate or the vaccination information must be included on the CVI. If a rabies vaccination certificate is provided, the certificate must contain legible name and contact information of the veterinarian who administered the vaccine and the veterinarian’s signature. A copy of the rabies vaccination certificate is acceptable.
5. For out of state cattle, horses, goats, sheep, rabbits and swine: A Certificate of Veterinary Inspection (CVI) issued within the 60 days prior to the date of importation is required. If an animal comes from a state in which Vesicular Stomatitis (VS) has been diagnosed within the past 12 months, the CVI shall include a statement verifying that “all animals identified on this certificate of veterinary inspection have been examined and found to be free from Vesicular Stomatitis. During the past 90 days, these animals have neither been exposed to VS nor located within 10 miles of a site where VS has been diagnosed.”

Use Caution When Fitting Your Animals: Be sure to use only grooming products that are approved for use on meat and dairy animals when fitting your animals for show. Unapproved products may contain ingredients that result in unacceptable residues in the meat or milk. If you are not certain that a product is residue safe and approved for use on meat or dairy animals, do not use it. If upon slaughter treatment with drugs, biologics, or any chemical from fitting products, is the cause of condemnation of a carcass, the loss of the carcass and any other damages will be borne by the exhibitor.

Foals less than 6 months of age accompanied by a dam which meets this requirement are exempt from EIA testing requirements. If the foal is not accompanied by the dam, a copy of the dam’s test results must accompany the foal.

In Memory of Louie Perkins

We’re going to miss Louie in so many ways as we travel thru the year preparing for and putting on the fair. He was always interested in all aspects of the fair and preparation. So many thing were “just done” and no one had to remember to do them. And then he was there to enjoy the events and keep everyone updated from one end of the fairgrounds to the other.

A super volunteer and a great friend and neighbor.

NOTE: Creativity is essential to a varied competition. Do not limit your contest to a “traditional” two-crusted apple pie. We are looking for a variety of fillings in the pies; the pie must include at least 60% apples in the filling. The recipe for the pie and pie crust will also need to be submitted when entering at the Pennsylvania Farm Show. Each Fair must sign a Certification Form verifying the winning apple pie baker, and this person will be eligible to enter the state competition at the 2020 Farm Show.

NOTE: If an individual has already won 1st place at another fair in 2019 for this Blue Ribbon Apple Pie contest, that individual is now considered disqualified through that Fair to compete at the 2020 PA Farm Show and is no longer eligible to enter this contest at any upcoming Fairs.

EXHIBITS TO BE JUDGED ON:

Attracts Attention - Use of color, motion, light figures. While attention getting is important, the reactions should be favorable. Unfavorable attention defeats its purpose.

Arouse Interest - Encourages additional study. Personal appeal to the type of viewer for whom the exhibit was designed.

Conveys Message - Encourages additional study. Personal appeal to the type of viewer for whom the exhibit was intended.

Design - Elements of the exhibit should be pleasingly placed to give a sense of unity to the whole. The message should be part of the design and not something apparently added as an afterthought. Simplicity is the key here.

Workmanship - Neat, well constructed for the purpose. This does not imply that expensive materials be used.

Originality.
