

Who We ARE:

Westwind Computer Products, Inc. is a Value Added Reseller (VAR) and provider of IT products and services to the Federal Government, with extensive expertise in emerging technology, lifecycle management, and integrated solutions.

Founded in 1992, Westwind is headquartered in Albuquerque, NM, with remote locations and personnel in New Jersey, North & South Carolina, Colorado, Texas, and the greater Washington, DC area. We serve our federal customers throughout the United States (CONUS) as well as overseas (OCONUS).

With a variety of contract vehicles and Small Business (SB) certifications, such as Minority, Woman-Owned, and HUBZone, we are able to offer our government customers the flexibility they need in making smart procurement decisions, while helping to support their organizations' individual small business goals.

Federal ID Number 85-0441639

Duns Number 87-686-8563

Cage Code 075E1

New Mexico Tax ID 02-310695-00-6

NAICS Codes

- 334310 Audio & Video Equipment Mfg
- 334111 Electronic Computer Mfg
- 334112 Computer Storage Device Mfg
- 334118 Computer Terminal & Other Computer Peripheral Equipment Mfg
- 334613 Blank Magnetic & Optical Recording Media Mfg
- 423430 Computer & Computer Peripheral Equipment & Software Merchant Wholesalers
- 443142 Computer & Software Stores
- 541511 Custom Computer Programming Services
- 541512 Computer Systems Design Services
- 541519 Other Computer Related Services

What We DO:

- Mobility & End User Computing
- Blade and Rack Server Integration
- Visualization Clusters
- VDI design and pilots
- Control & Command Solutions
- AV Solutions (Signage, Video Walls)
- Enterprise Storage Solutions
- Cluster Computing
- Large Deployment Rollouts
- Cyber Security
- Visualization & Simulation
- VOIP / VTC

Our service competencies include Integration, Configuration, Assessments, Recycling, Managed Services, Outsourcing, and Desktop/Laptop Deployment Services.
