## *A Summary Report of the April 28, 2020 CFSD Governing Board Meeting*

### **Consideration of Approval of Revisions to CFSD's K-12 Counseling Standards (first reading)**

Associate Superintendent Mary Jo Conery presented the proposed revisions to the K-12 standards for school counseling. In January 2019, the board approved the K-12 school counseling program, the developmental standards and indicators to evaluate programs, and designed a delivery service model for the elementary, middle, and high schools. The counseling team had used the "American School Counselor Association National (ASCA) Model: A Framework for School Counseling Programs" to design the components of CFSD's model. Dr. Conery provided information about ASCA's recently released fourth edition of the school counseling model which includes the "ASCA Mindsets & Behaviors for Student Success: K-12 College and Career-Readiness Standards for Every Student" that will replace the earlier ASCA standards. This was a first reading and will be considered for approval at the governing board's May 12 meeting.

### **Fiscal Year 2021 Maintenance and Operations Budget**

Superintendent Mary Kamerzell gave an update on the FY2021 budget. She reviewed the proposed changes since the governing board reviewed the budget on April 14. There were changes made to the following projected revenue items: Prop 123, the DAA transfer to M&O, the Classroom Site Fund, and the Instructional Improvement Fund (IIF). On the expenditure side, Dr. Kamerzell also reviewed revisions related to staff compensation, school-level budgets, Proposition 301, and IIF.

### **Fiscal Year 2019 Audit Report**
