My Time Mission and Philosophy

Our mission is to empower students to pursue learning through purposeful, playful, social experiences- to get children moving- to create healthy bodies and minds.

My Time is a place where children can simply be children– a place where self-esteem, imagination, self-awareness, and social bonds are formed. My Time curriculum was specially designed through years of experience to stimulate a child’s innate desire to move, create, explore, play, pretend, and have FUN!

Our Beginning

In 2007, My Time was born out of a dream, literally. A dream to create a place where children would have their own time to shine! In our fast-paced, busy culture, Miss Lorie wanted to create a space where children could explore the world on their terms through movement and hands-on, engaging learning activities. Today, My Time has become a licensed preschool and outreach program. It is heavily influenced by the origin of the school, offering children ample opportunities to explore, play and pretend, all while setting the foundation for a lifelong love of learning!

Enrollment

All parents are asked to thoroughly read the My Time Parent Handbook prior to enrolling their child and contact us with any questions.

1. Schedule a tour of our campus
2. Registration online
3. Submit Required Fees & Forms

*These forms and fees act as a deposit to secure the child's place on the My Time roster.

Tuition and Fees

Tuition is calculated by multiplying a daily tuition rate by number of days scheduled per academic year. This rate is divided into 9 monthly payments. Tuition is based on open school dates only. Tuition is billed the first of every month and is considered late by the 6th. Full payment is due each month regardless of the number of days your child is expected to be in attendance. See the My Time office for a copy of current tuition fees. Sibling discount equals 10% off monthly tuition of the older child (applied to the lesser amount if different tuition rates apply). Tuition Payment Options:

- Credit Card: Visa/ Mastercard (3%fee)- drafted by admin on the 1st of the month
- ACH Debit: no fees- drafted by admin on the 1st of the month
- Checks payable to My Time Kids Academy with the child's name in the memo line. Submit checks to the Tuition Box on the office.

Secure your child's place on the roster by paying the following non-refundable fees:
First Month's Tuition, plus Enrollment and Supply Fees

My Time welcomes payment for multiple months or the full year in advance. Tuition may be paid in advance or an entire academic year (August- May) for a discount of \$200 from the total 9-month tuition rate.

In the event that tuition becomes past due, My Time holds the right to withdraw a child from the program. A late fee of \$20.00 per month will be assessed on the 6th. The child may be withdrawn at the end of the second month in which tuition is not paid, and the spot will be filled immediately. If circumstances or hardships arise that make it difficult to pay tuition, please contact Lorie to set up pay schedule and sign a payment agreement.

No refund or prorates are made for absences, bad weather days, vacations or teacher in-service days, holidays or any day the school is closed due to unforeseen circumstances. Absences may not be made up by attending on an alternate day.

BrightWheel: Billing, Communication, Attendance software

Upon completion of registration forms, an invitation to join BrightWheel will be emailed to the emails listed on the registration form. After MTK administration creates an account for your family in the BrightWheel system, billing information is to be set up by the parent in the child's account. The system generates an invoice the week before tuition is due. Please verify the invoice and make payment before the 5th of the month to avoid late fees. Payment options are: credit card (Visa/MasterCard), ACH bank draft, or cash/check. Credit card payments are assessed a 3% fee and will be added to your invoice. Please reach out to the My Time office staff with questions or concerns.

Withdraw from MTK Program

Intent to withdraw a child from any My Time Kids program requires a 30-day written notice. Notices may be handwritten or emailed to info@mytimekids.com. The date of the email or receipt of written notice will be considered the time stamp for the 30 day notice. Refunds will not be given when withdrawal notices are given with less than 30 days. Please note the following:

- Enrollment fee is non-refundable, noted at time of enrollment.
- Fall/Spring Supply fee is non-refundable once semester has begun.
- Tuition refunds will not be granted without proper 30 day written notice.

Student/Teacher Ratios

My Time ratios help us guarantee that each child receives individual attention and quality care and are as follows:

Caterpillars (age 2-3): 2 teachers per 7 students

Ladybugs & Butterflies (age 3-4): 1-2 teachers per 7 students

Honeybees & Bumblebees (ages 4-5): 1-2 teachers per 10 students

Communication

Teachers will not have phone or email access during the school day.

Immediate questions, concerns or messages should be directed to the front desk at info@mytimekids.com or 512-925-5915 (Lorie's Cell) or 512-291-7730 (office).

Teachers will briefly communicate important details about the child's day at pick up time. If more time is needed by either the teacher or parent to discuss a particular situation or concerns, a time to meet will be scheduled. For supervision and safety reasons, dismissal time is not the best time for lengthy conversations.

Families are informed of important class and school updates via email, Brightwheel app messages, notices posted outside of each classroom and/or communicated through text. Should any school policies be updated, parents will be notified immediately. Questions or concerns regarding a new or existing policy, may be discussed, at any time, with Lorie directly via phone, email, or in person.

Parent/Teacher Conferences

Formal conferences are offered bi-annually during the My Time academic calendar to allow teachers and parents to discuss the child's developmental progress in the classroom. Formal conference dates are posted on the annual calendar. Parents will be notified to sign up for a specific meeting time with their child's teacher. Parents and teachers may request conferences throughout the school year should concerns arise.

Holiday & Birthday Parties

Holiday parties are scheduled through the year that require parent volunteers. Volunteers are asked to plan and carry out these parties, which may include providing a snack or lunch for the class. We appreciate and encourage your participation.

If you would like to bring a special treat for your child's birthday, please let the teacher know in advance. Check with your child's teacher to ensure that there are no allergies in the classroom that prevent serving certain foods. Birthday invitations may only be sent out in the classroom if all students are invited.

My Time is a **nut-free school** and cannot allow any products with any kind of nuts with the exception of sunflower butter.

Room Parent/ Volunteers

Our teachers love room parents/volunteers and appreciate parent involvement! A sign-up sheet will be available during the Meet the Teacher event at the beginning of the school year.

Snacks, Water Bottles & Lunches... Please put your child's name on all 3

Parents are to provide a snack and lunch for their child each day. Please ensure the snack is clearly marked with the child's name and place in the labeled snack basket. Please pack nutritious, low sugar snacks/meals to provide energy for the mind and body Ice packs and thermos containers are recommended. Water bottles will be refilled throughout the day as needed. In cases of severe allergies, we will ban or restrict certain foods other than nuts on a class by class basis to ensure the safety of all children attending our program. ***Due to the severe nature of nut allergies, we are a nut-free campus. Please do not send snacks or lunches that contain nuts of any kind. Read labels carefully.**

Clothing/ Dress Code

Please label all items from home, outerwear especially, with your child's name.

The children play actively every day, and it is important that they are comfortable, and safe as they play. Since independence is a goal for every child at My Time, parents are to choose clothing that their children can manage by themselves. We discourage complicated belts, straps, snaps or ties which children cannot manipulate for themselves. Play clothes that are comfortable and do not bind, and are also suitable for messy activities in class and outdoor play should be chosen. We recommend shorts/bicycle shorts be worn underneath dresses and skirts. Children should wear shoes that will be both comfortable and functional for the playground area. Preferably a closed toe shoe to help prevent injury from tripping or getting rocks, twigs, or dirt in shoes. Long hair should be pulled back for safety.

We love to get messy while learning by utilizing sensory bins, paint, pastels, sand, food, etc. Staff cannot promise clothing will not be stained or soiled due to the nature of our hands-on, exploratory curriculum. For this reason, we require that you send a seasonal set of clothing including (including socks and underwear) in a labeled sealable plastic bag for your child in case of accidents or spills~not all accidents are potty related.

Outside Play

Outside play facilities are available for your child to develop his/her gross motor skills. On rainy days, alternative physical activities will be provided indoors. All age groups play outdoors daily, weather permitting. Please send your child with a coat, hat and gloves for cold weather. Children should wear closed-toe shoes for safety. Sunscreen or insect repellent should be applied by the parent before arrival at My Time.

Outside Play Con't.

On occasion, we utilize the fenced in play area behind the building next door. Children use a guidance rope with a teacher in the front and at the end of the line. Parents will be notified on days we will utilize this play area that is great for large motor skills, sports, and parachute activities.

Potty Training

Diapers are not permitted. We understand accidents will happen, but it is our goal that all children recognize and communicate with their teacher when they need to use the restroom. Children must also be able to manipulate their clothing, unfasten and remove clothing to use the restroom and clean themselves with little to no assistance. It is for this reason that we discourage wearing belts or clothing with complicated snaps, buttons or ties. We find the most success with toilet training when parents are practicing these same skills at home.

Rest/ Nap Times

In compliance with State Licensing requirements, all students in our care for 5 or more hours must rest/nap for 1 hour after lunch. Students (excluding Caterpillar class) in attendance from 9:10am-2:00pm will not be required to rest/nap for an hour, but will participate in a 30-minute quiet activity time after lunch. Students in extended care will nap/rest for an hour and return to their classrooms. Licensing does not permit children to sleep more than three hours. My Time Kids policy states that all students in the Caterpillar class will rest/ nap after lunch in their classroom.

Toys and Personal Belongings

Personal belongings and toys tend to get lost and are distractions to active learning, thus we ask that students refrain from bringing them unless needed for security or as requested by teacher for show and tell or special events. Please leave electronic devices at home. My Time is not responsible for lost or misplaced items.

Arrival and Dismissal Times

Children are to be escorted by an adult to their classroom upon arrival. Sign in/ out logs or devices are available by each classroom. Please sign in when you drop your child off each day, this is a State Licensing requirement. Please sign your child out on this same log/device when you pick up at the end of the day. All children should be picked up by their scheduled pick up time. Children must be supervised at all times on the My Time campus. As soon as you enter the classroom, your child becomes your responsibility.

Students that arrive on time gain the most benefit from our program. Academic centers provide essential learning opportunities for students and are open upon arrival and close around 9:30/9:40am. Students often feel sad when they miss these fun, hands-on opportunities.

If a situation arises that causes you to be late, please contact us immediately. Children will only be released to the persons listed on the forms provided in enrollment packet unless we have permission in writing from you. If you plan for someone other than yourself to pick up your child, please provide written authorization in advance and notify your child's teacher. Upon entering the building, individuals picking up a child will be asked to present and allow photocopy of valid identification, which matches the name given by the parent's written note.

Late Pick-Up

The following policy has been set in place in the event that your child is not picked up by you or another designated individual at the designated, agreed upon time.

- My Time will attempt to reach all emergency contact numbers, including parents or guardians at home, work, and cell phone followed by emergency contact numbers as provided by parents.
- Any child not picked up by 2:10pm will immediately be placed into our aftercare program and will begin accruing fees up to the full drop in fee until 5:30pm. This fee is due immediately upon pick up of the same day. Late fee schedule is available in the office.

Drop-In Attendance: Add-On Day or Hours

Drop-In care is an option only when/ if space is available in your child's class. Attending on a day other than the days your child is scheduled must be approved 24 hours prior by MTK Administration, teachers cannot grant consent, and is considered "Drop- In Care" and is charged a daily rate. Drop-In applies to preschool hours and aftercare. Absences are unable to be made up by attending on an alternate day.

Immunizations

My Time Kids Academy requires students be immunized according to the Texas State Health Department Schedule. The State requires that all records be on file with My Time within one week of the admission date, and must be signed by a healthcare professional who has examined the child within the past year. If you or your child's physician prefers to delay these, you must submit an original notarized affidavit stating the vaccination(s) that will be kept in your child's file at My Time. You may request the form by going online to the following website:

<https://corequest.dshs.texas.gov>

Please visit www.tdh.state.tx.us/immunize for current immunization requirements for Texas child care centers. Texas Administrative Code, Title 25 Health Services, §§97.61-97.72

Hearing/Vision Screening Report

All children 4 years and older, are required by the state, to complete a vision and hearing screening with numeric results. Please obtain a copy of these screenings from your physician. Parents must submit the report from this screening to My Time within one week of the child's start date, or the child will not be admitted to school. For children that will turn 4 after their initial start date, it is the parent's responsibility to make sure this screening is completed and that My Time has a report on file within one week of the child's 4th birthday.

Health, Illness and Incidents

My Time follows guidelines from DFPS and Texas Health Department Requirements with regard to health, illness, and incidents. Sick children and adults should not enter the building. If you are ill or have a sick child with you, please notify us upon arrival at My Time and we will help escort your well child to and from class.

If your child becomes ill while at My Time, you will be notified immediately and expected to arrange pick up of your child within 30 minutes of being called. In the event that a parent cannot be reached, a person listed on the child's emergency contact list will be notified and asked to come for your child. In most cases, the child will be in the front office with the Director or other staff member. Any child sent home due to illness cannot return to My Time the following day as the child must be symptom free **without the aid of medication** for at least 24 hours.

My Time will call 911 if a child appears to need immediate medical attention or otherwise appears to be in immediate danger.

Health, Illness and Incidents con't.

Your cooperation is needed in maintaining high health standards for My Time. Adhering to these policies offers protection for the child who has been ill, as well as the children enrolled and the teachers on staff at My Time. We ask that you keep your child at home or will be notified to pick up your child if any of the following occur:

- The symptoms prevent the child from participating comfortably in activities.
- The symptoms result in greater need for care than caregivers can provide without compromising the health, safety, and supervision of the other children in care.
- The child has one or more of the following accompanied by behavior changes or other signs of illness in the past 24 hours:
 - Fever (oral temp higher than 101°F, ear of 100°F or armpit 100°F)
 - Diarrhea (2 or more episodes in 24 hours)
 - Vomiting (2 or more episodes in 24 hours)
 - Combination of runny nose, cough and/or sore throat
 - Rashes with fever
 - Mouth sores with drooling
 - Sore or discharging eyes
 - Discharge that is yellow/green from the nose or ears
 - Urinary problems
 - Head lice and/or nits. A written note from a physician stating that they have been checked and are completely lice/nit free is required before returning to My Time for school, camps, or events.
 - Symptoms and signs of possible severe illness such as lethargy, abnormal breathing, behavior changes, or other signs that the child may be ill as deemed by the parent, the Director or child's teacher; or
 - A health-care professional has diagnosed the child with a communicable disease, and the child does not have medical documentation to indicate that the child is no longer contagious.

Children experiencing any of the above may return to school:

- 24 hours after temperature has remained normal **without** the use of medication.
- 24 hours after initial dose of antibiotics (including topical ointments).
- No episodes of diarrhea for a full 24 hours, **without** the use of medications.
- No episodes of vomiting for a full 24 hours, **without** the use of medications.
- With written documentation from a medical professional confirming that the child is no longer contagious and may resume regular activities.

Children who are seen by a physician for symptoms of a common cold, allergies or other viruses are not required to provide a doctor's note but must follow the 24-hour policy. Please notify the director if your child becomes ill with a contagious disease so that parents of other children may be notified. The diagnosed child will remain anonymous, however we are required to alert parents that their child may have been exposed.

Parents will be notified by phone if your child is injured, or has any symptom requiring exclusion from regularly scheduled activities. Parents are responsible for making sure the emergency contact information, including the child's physician name and phone number, remains current throughout the year. It is My Time's policy to call parents any time that a child in our care bumps their head. If the injury results in an emergency room visit or doctor's office, you must notify the director within 24 hours.

Absences

Absences are unable to be made up by attending on an alternate day. Refunds and/ or prorates are not made for absences, vacations, teacher in-service days, holidays or unforeseen circumstances such as bad weather/ school closings.

Parents are required to inform the school if a child will not be at school on a scheduled day. This will enable the school to more effectively maintain appropriate ratios and help the classroom teacher effectively plan for the day.

Medication & Severe Allergy Policy

My Time does not administer medication (OTC, holistic or prescription) except in emergency situations. If a child has a serious medical issue such as asthma attacks, or severe allergic reactions, the parent or the child's health care professional may sign a Medication Authorization Form allowing the preschool to administer the emergency medication (i.e. Benadryl, or Epi-pen, rescue inhaler) when symptoms occur. If your child's allergy requires emergency medication, such as an Epi-Pen, you must submit a Severe Allergy Action Plan and provide all the medications. Your child will not be admitted to school without an Epi-Pen on site at all times. Severe Allergy Action plans must be on file and updated every 6 months.

In accordance with DFPS/ HHSC guidelines, all medication must be in its original container labeled with the child's full name and the date it was brought to school. Emergency medication must be labeled with the child's name and prescription. All medications must be kept locked in the office and not within reach of children.

Discipline & Guidance

My Time is intended as fun and safe place for children. Guidelines and expectations are in place to ensure safety and provide a nurturing learning environment. My Time staff will only use positive methods of discipline and guidance that encourage self-esteem, self-control, self-direction, and empathy. We encourage the use of similar discipline methods at home in order to provide consistency for children in all realms of their life.

My Time Kids has adopted the State of Texas Discipline and Guidance policy TAC, Title 40, Chapters 746 and 747, Subchapters L, Discipline and Guidance

Discipline will be:

- Individualized and consistent for each child;
- Appropriate to the child's level of understanding; and
- Directed toward teaching the child acceptable behavior and self-control.

My Time Staff will:

- Use praise and encouragement of appropriate behavior while redirecting unacceptable behavior using positive statements.
- Remind a child of behavior expectations daily by using clear, positive statements;
- Use brief supervised separation from the group (appropriate for the child's age and development) in order to allow the child to cool down and reset.
- Encourage children to "own their actions" after another classmate is hurt, intentionally or accidentally, by offering to help "make it right".

There must no harsh, cruel, or unusual treatment of any child. The following types of discipline and guidance are prohibited:

- Corporal punishment or threats of corporal punishment;
- Punishment associated with food, naps, or toilet training;
- Pinching, shaking, or biting a child;
- Hitting a child with a hand or instrument;
- Putting anything in or on a child's mouth;
- Humiliating, ridiculing, rejecting, or yelling at a child;
- Subjecting a child to harsh, abusive, or profane language;
- Placing a child in a locked or dark room, bathroom, or closet with the door closed; and
- Requiring a child to remain silent or inactive for inappropriately long periods of time for the child's age.

Aggressive Behavior

If a child bites, hits, scratches, pinches, kicks or exhibits any other aggressive behavior twice within a 4 hour period, the child may be required to be picked up from My Time for the remainder of the day. For recurring or extreme behavioral issues, the child's teachers and the director will call a meeting with both parents, if possible, to establish a behavior plan to address the undesirable behavior. . If the behavior becomes a threat to other children, staff or to self, his or her enrollment may be suspended or you may be asked to make other preschool arrangements for the child.

Biting Policy

We recognize that a biting incident is traumatic for both the children and the parents and the staff. While we recognize that biting is "developmentally appropriate," for children under three, it is not acceptable behavior. Children who have not acquired verbal skills do not have the ability to tell us when they are anxious, hurting, upset or stressed. As a result, they have a tendency to bite. Children who are in pain due to teething also have a tendency to bite. Each time a child bites, an incident report is given to the victim's parents and the biter's parents are also informed. We follow privacy acts and will not release the children's names to either party. If a child is biting consistently for more than two weeks, the parents will be asked for support at home to help end the biting. If the situation doesn't improve, a parent conference will be scheduled.

Dismissal and Suspension Policy

My Time Kids Academy believes that a child's success starts with a solid partnership with our families within our school. While our philosophy and mission seeks to accommodate a wide range of individual differences, there may be instances that arise when a child's/family's behavior may warrant the need to find a more suitable setting for either a short term or permanent basis. Prior to the policy being enforced, meetings will be held with the family to work towards a positive solution and find the best learning environment for the child.

Ultimately, My Time Kids Academy will attempt a number of approaches before making the final decision to suspend or dismiss a child from the school.

Emergency Protocol and School Closure

The safety of the children is our first concern. Emergency Preparedness Plans, Evacuation routes and relocation plans are posted in every classroom. The designated relocation area if we need to relocate inside the building is the innermost room, as this space has no windows, is an interior room and is easily accessible. If we need to evacuate the building, we will follow our emergency evacuation plans and relocate to the safe zone area next door at The Musician's Woodshed, Suite 107. Routine drills will be conducted according to licensing requirements. Detailed emergency preparedness plans that are available for review upon request.

Inclement weather: My Time observes the same bad weather days and holidays as the Lake Travis Independent School District or at the discretion of the My Time administration. If bad weather or other occurrences close or delay the start of LTISD schools, announcements will be made by the news media by 6:30 a.m. on the morning of the cancellation/delay. These days will not be made up nor will refunds be given for missed days. Whenever possible, we will provide closing information through our software text notification system. **My Time will be CLOSED for the day if LTISD cancels school or delays start time due to severe or inclement weather.**

Hold Harmless Policy

Families employing MTK staff outside of the preschool hours are to understand that this private caregiving is not within the member's scope of employment activity and that the staff member is not acting on behalf of My Time Kids. Accordingly, My Time Kids assumes no responsibility for the actions or well-being of either the staff member or of the child.

My Time Staff Training

Each staff member receives training each year following the DFPS State Licensing Guidelines and Requirements. All staff are certified in CPR and first aid and have completed a background check. Teachers meet to discuss such topics, but not limited to, discipline and guidance, curriculum, emotional and social development, health and safety.

In-House Field Trips

My Time may have special guests or animals during the school year that allows the children to have hands-on and enrichment experiences to enhance their learning. Notices will be given in advance and parents may have the opportunity to participate as well. If a permission slip is required for one such event, a child who does not have a permission slip on file will not be eligible to participate.

Visitors and Volunteers

We love volunteers! Please speak to Lorie about the necessary steps including, but not limited to a mandatory background checks. Please look for the volunteer sign-up sheet at the Meet the Teacher Playdate at the beginning of the year.

Parents are welcome to visit and observe their child at any time during the school day. Please keep in mind that children are able to thrive and learn most successfully in an environment where they remain independent. We ask that any visits are preapproved by the administration and your child's teacher. Should visits become too frequent or disruptive for your child or others, we may ask that they be discontinued or conducted in a more discreet manner.

Photo Policy

My Time takes photos of the children during their daily activities. These photos are used for student portfolios, parent education, for classroom and hall displays and to provide the parents with memorabilia highlighting the child's year. If you do not want your child's picture used, you must indicate that you do not give permission on the Registration Agreement which you receive as part of your enrollment forms. Children will never be identified by name in photos used on the My Time web site or in marketing materials. Contact Lorie if you are unsure what photo permissions you have provided for your child.

It is crucial that we have a **current and reliable** phone number for you during the day.

Sick children and adults should not enter the building. If you are ill or have a sick child with you, please notify us and make arrangements for drop off and pick up of your well child. Please call us upon arrival at My Time and we will help you escort your well child to and from class.

Children experiencing any of the symptoms outlined in the Health, Illness & Incidents section of the My Time parent handbook may return to My Time:

- 24 hours after temperature has remained normal **without** the use of medication.
- 24 hours after initial dose of antibiotics (including topical ointments).
- No episodes of diarrhea for a full 24 hours, **without** the aid of medications.
- No episodes of vomiting for a full 24 hours, **without** the aid of medications.
- With written documentation from a medical professional confirming that the child is no longer contagious and may resume regular activities.

If your child becomes ill while at My Time, you will be notified immediately and expected to arrange pick up of your child within 30 minutes of being called. In the event that a parent cannot be reached after a period of time, a person listed on the child's emergency contact list will be notified and asked to come for your child. In most cases, the child will be in the front office with the Director or other staff member until the guardian can arrive to pick up the child. **Any child sent home due to illness cannot return to My Time the following day.**

Children who are seen by a physician for symptoms of a common cold, allergies or other viruses are not required to provide a doctor's note but must follow the 24-hour policy. Please notify the director if your child becomes ill with a contagious disease so parents of other children may be notified. The diagnosed child will remain anonymous, however we are required to alert parents that their child may have been exposed.

Parents will be notified by phone if your child is injured, or has any symptom requiring exclusion from regularly scheduled activities. It is My Time's policy to call parents any time that a child in our care bumps their head. If the injury results in an emergency room visit or doctor's office, you must notify the director within 24 hours.
