

SOUTH ALBERTA HOCKEY ACADEMY

Dear *Parents* and *Guardians*,

The WDSAHA is excited to bring you Dr. Jody Carrington, Parenting Superpowers - Raising Student Athletes in partnership with SEAC and Medicine Hat College. The event is **April 10th 7:00-8:30 pm** in the Medicine Hat College Theatre.

Dr. Jody Carrington is a Clinical Psychologist, author, and speaker who, following 13 years of post-secondary education, works with children, parents and educators to transform relationships. It was during this work that she learned the most about kids, families, relationships, and the vital importance of connection. Today, she is back living in a rural setting, managing a private practice, raising a family, speaking around the country about relationships, connection and her new book, "Kids These Days". Jody passionately believes in the power of the relationship with the people we love, lead, and teach. She was a hockey player, is currently a coach, a mother of 3, and wife to Aaron.

Since it was announced that this high demand speaker would be coming to our area we have received numerous requests for tickets. This event is specifically for WDSAHA and SEAC parents and guardians and you won't want to miss it, however, extra seats will be open to the public. Seats will be reserved especially for you by emailing Davina Thuroo at: davinathuroo@prrd8.ca by April 1st. She will reply and confirm your seats. When you arrive on April 10th, please let the people working at the entrance know you are with **WDSAHA** or **SEAC** and they will show you to your reserved seats.

If you have any questions about this event please contact Darren MacMillan at: sahockeyacademy@prrd8.ca.

Respectfully,
