

Robyn's

ROUNDUP

Taylor's gotta play, play, play!

Taylor checks out his reflection in the glass, or maybe he just wants out to run the halls with his buds. He's a young neutered adult shorthair spotted tabby, current on all his shots, and a playful boy. He doesn't care if is with other cats or small dogs, play makes his day!!

Jesse Update!

Jessie has completely recovered and has gone to her forever home, which is able to care for her ongoing medical issues. But MCHS still has large vet bills to pay. Please help save animals' lives by making a tax deductible donation to their medical expenses, to the address at the bottom.

Dog & Cat Adoption Fees: \$95.00; Includes Spay/Neuter, all vaccines, worming, and flea prevention.

Have stuff you aren't using???

We need large crates, dog houses, and a flatbed trailer for holding and transporting pets and wildlife. Your old stuff for our animals = a win-win for all!

Thank You Petco!

MCHS received \$1596.07 from Tree of Hope donations! You can continue to help through Petco's Spring-a-Pet Fundraiser going on now!
