Tom Zagurski was born on February 5th 1957 in the Forestville section of Bristol. He married Karen Hennessey thirty seven years ago. They have three children; Tom Jr., Raymond, and Christine, and one grandson. Tom has worked at Hamilton Sundstrand UTAS in East Hartford for over 39 years.

Tom has a long history of community service. Since coming to town, he has served on the Inland Wetlands Commission, and currently is celebrating 14 years on the Town Council, with the additional title of Liaison to the Library Board. As a proud father, he has been a Little League Coach, a Cub Scout Leader and Youth Soccer Coach. He is also a member of the Plymouth Historical Society.

A 28-year member of the Terryville Lions Club, he has served as president, and has been ever-present at all club activities, including the Mothers’ Day Breakfast, the Volkswagon Show, the Antique Tractor Pull, the Motorcycle Swap Meet, and the Christmas Basket Project, to name a few.

Always the farmer, Tom has served on the WAMOGO High School Advisory Committee and has been a judge of parliamentary procedure for agricultural school contests. He also is a member of the Farm Bureau.

At age 40 he purchased enough land to start a farm, raising sheep, beef cattle and chickens. Tom and his sons work hard with all this; especially during haying season, when things have to be done by working around the weather. Karen says that she can hear him whistle while he works.

Outside the Lions Club, Tom has served with distinction as president of the Litchfield County Fair Association and also three years as president of the Association of Connecticut Fairs; both of which oversee and offer guidance to the activities and programs that you enjoy here this weekend. He is now completing ten years as President of the Terryville Country Fair.

The members of the Terryville Lions Club know that Tom Zagurski will continue his great work well beyond retirement. He is an asset to this club and his community, and we are proud to dedicate this 2018 yearbook to him in countless thanks and grateful appreciation.

Greetings Fairgoers!

1948…..Harry Truman was President of the United States, the Nation of Israel was founded, and so was the Terryville Lions Country Fair. Then, mainly a horse and cattle show. And now, at the 70th Anniversary, one of Connecticut’s Major Agricultural Fairs!!! The horses and cattle are still a part, even if they are a bit older, now. Yet there is so much more! Great food, Family Friendly Fun, Live Music and Great Shows and Exhibits to see, and even participate in if you choose. Come and See! Join us this year to celebrate our Fair’s 70th Anniversary, as you look through the Premium Fair Book, you will notice a 70th Anniversary logo: next to some of the K-W department class listings. These classes will incorporate the colors Blue and Yellow into the exhibits.

Thank you for your support and see you at the Fair!!
(Any questions on the exhibits, please feel free to contact Lion Sandra Murphy-Bishop at 860-484-4771)

Terryville Lions Club (www.terryvillelions.org), with the Terryville Lions Country Fair (www.terryvillefair.org), is a member of the Town of Plymouth Chamber of Commerce (www.plymouthchamber.org), the Litchfield County Council of Fairs, the Association of Connecticut Fairs (www.ctagfairs.org), the International Association of Fairs and Expositions (www.fairsandexpos.com), and the International Association of Lions Clubs (www.lionsclubs.org).
A. GENERAL REQUIREMENTS:

1. Health certificates signed by an accredited veterinarian and other required testing will be valid for the entire 2018 show season.
2. All animals and poultry entered at fairs and shows must be in good health and in proper physical condition and will be examined at the exhibition by the barn superintendent. Evidence of poor condition or infectious or contagious disease or failure to produce the necessary documents for health certification, vaccination or testing will result in ejection. The Connecticut Department of Agriculture Livestock Inspector’s decision is final.
3. Health charts and proof of vaccination where applicable are the responsibility of the exhibitor.
4. Each barn superintendent will collect and hold the Health Certificates from each exhibitor. Animals not in compliance with the state regulations for shows and fairs will not be allowed. A complete list, containing the name of the exhibitor, address, animal ID (ear tag, tattoo, leg band), breed and age of each animal, and the total head count will be made available to the State Livestock Inspector and forwarded to the Connecticut Dept. of Agriculture, Bureau of Regulation & Inspection by the fair superintendent. All animals and poultry present on the grounds should be identified on this list. Any animal that is rejected should be noted as such with a brief statement of reason. Rejected animals or poultry should be removed from the grounds as soon as possible. Any concerns about the health of any animal or bird should be reported to the State Livestock Inspector or the Fair Veterinarian immediately.
5. Isolate all exhibited animals and poultry upon their return to the farm from other animals and poultry for 3-4 weeks to reduce the risk of disease exposure and transmission. Call your local veterinarian if your animals or poultry become sick to help you with diagnosis and treatment.
6. Contact the Bureau of Regulation and Inspection at 860-713-2504 if you have any questions.

B. CONNECTICUT ANIMALS:

***All cattle, horses and sheep shall have a rabies vaccination given by a licensed veterinarian. The vaccination certificate must be signed by the veterinarian that gave the vaccination and include the animal’s identification and description, the name of the vaccine’s manufacturer, serial number and the date the vaccination was given and when it expires. If it is the animal’s first rabies vaccination, it must be given at least 30 DAYS prior to their first show date to be considered current.***

1. ALL SPECIES: Animals must originate from herds or flocks that meet the testing and health requirements of the State of Connecticut. State livestock inspectors may request proof of compliance with state requirements. No herd or flock under quarantine order shall move or be exhibited. All animals must have permanent identification (ear tag, tattoo, leg band, microchip plus a reader or EIA certificate).

All swine must have a health certificate issued within 60 days prior to the first show by an accredited veterinarian. If the swine are purchased from a tested herd, a bill of sale from the Connecticut producer must be presented to the State Veterinarian’s office before a Connecticut Exhibition Test card will be issued to the new owner.

7. POULTRY: Poultry originating within the state must come from healthy flocks with no evidence of infectious, contagious and/or communicable diseases. All birds must be inspected, identified and be accompanied by written proof (Connecticut Flock Test card or Connecticut Veterinary Medical Diagnostic Laboratory Report) that verifies that the breeding flock or the individual birds listed on the report were blood-test negative for Salmonella pullorum within 365 days of the show date. Concurrent Avian Influenza testing of the flock and/or individual birds is strongly recommended. Poultry vaccinated within 30 days with any live virus vaccine will be prohibited from showing. CONNECTICUT OX OWNERS AND DRIVERS ASSOCIATION RULES - REVISED, 2018

1. All weight classes will be in multiples of four hundred (400) pounds with the exception of the over 3200 lbs class. There will be 100 lbs weight allowance added to all weight classes, starting the first day of the Labor Day weekend, and will be in an effect for the remainder of the season.
2. The top three teams may move up to take places that are not legitimately filled by teams in that class. They will take place the same as in the last class.
3. Time of weighting is left to the discretion of the fair association. The scales will be certified within one month prior to the contest.
4. Each teamster will draw for position just before the start of each class.
5. All teamsters will have their teams ready for the contest at the published times. All classes will close when position numbers are drawn.
6. What constitutes a hitch? Two (2) inches or more.
7. Breakdowns, an actual separation, breaking or bending of equipment constitutes a breakdown. Chains not properly secured are not considered a
breakdown. In the event a teamster and/or owner wishes credit for the distance the boat has moved before the breakdown, it will be considered a hitch.
8. Over the rail, if an ox’s foot strikes dirt outside the rail, it constitutes a hitch with no credit for the distance pulled. Teams must remain within the rail while hitched to the boat.
9. A team deliberately driven over the rail will be disqualified from the contest.
10. There will be a time limit of five minutes for three hitches. Time will be stopped while the boat is pulled back.
11. Measuring the starting point of the boat will be properly marked to indicate the same starting point for all loads. The distance of each pull will be measured from the center of the boat to the starting pin. All teams will be allowed three hitches to qualify the load.
12. The boat will be returned to the starting pin after each hitch.
13. The boat will be returned to the starting pin when pulling five minutes and three hitches for the following reasons:
   a. If the boat is not pulled the required 72 inches
   b. If an ox steps over the rail.
   c. If a pull is disqualified for any rule violation.
   d. In the event of a breakdown the driver has the choice of taking the measurement or another hitch.
14. Measuring for distance pulling will be in a straight line to points of turn and to the nearest point of the drag when stopped. When pulling distance, the boat must be turned at least halfway, in order to get the full measurement. If not turned halfway, the length of the boat will be subtracted from the measurement. Rope to rope measuring will not be allowed unless agreed upon by all teamsters.
15. Time limits for distance pulls will be five minutes, unless otherwise agreed upon by teamsters, before pulling time.
16. In the event of a tie for prize winnings, the next best previous hitch will determine the winner.
17. Changing teamsters- No teamster may be changed after pulling the first load in any case, except of an emergency. Only when permitted by the judges, and with the consent of the majority of the teamsters in the class.
18. The use of drugs or stimulants is prohibited. The fair or person conducting the contest reserves the right to test any animal after pulling. Any owner and/or teamster found to have used drugs or stimulants will be barred from the association.
19. Any person found guilty of, or responsible for feeding, watering, or tampering with cattle, beyond their jurisdiction will be barred from the association.
20. Language- Any abuse to a fair official will result in disqualification for the day with loss of premiums.
21. Drinking- Any participant under the influence of liquor will be disqualified from the contest. The drinking of intoxicating beverages in or around the ring is prohibited.
22. Interference during hitching- The person hitching will have nothing in his or her hand while in the confines of the ring except the hitching chain and a watch.
23. Changing classes- Classes will be as publicized only.
24. The pit will be raked during the contest and the pit covered the day before the pull.
25. A teamster will be allowed a choice of either a goad or a whip but not both at one time. A wooden (NO PLASTIC ALLOWED) stick not to exceed 4 ft. long, ½ “at the tip and 1” at the bottom may be used for driving. The use of more than one hand on the stick or whip anywhere in the ring, the teamster will be disqualified.
26. ABUSE- There will be zero tolerance for abusing animals. Prior to the beginning of each class there will be a meeting of all teamsters with the judges, to review the rules. The first offence will result in loss of a hitch. The second offence will be disqualification from the class. There will be LIGHT use of goad or whip to the face, and the driver will be allowed to touch the ox two times with the driving tool after the boat is in motion.

The following is prohibited and will result in disqualification and loss of premiums:
1. Any blood caused by driving
2. The use of goad or whip to the under belly of the ox
3. The use of the teamsters’ hands in the nose of the ox
4. Any abuse or remarks toward the judge.
27. Any team that is out of control will get a warning on the first offense. The second offense, they will be eliminated from the class without loss of premiums.
28. Only conventional chain will be allowed. No ropes, halters, or poles
29. When loading the boat, at no time after the weight has been decreased may it be increased.
30. Authorized persons in the ring only, fair officials, teamster’s owners, and chain hookers.
31. No ox will draw more than once a day, except in the best interest of the fair to fill the class.
32. Teams will have only one driver. Teamsters will be allowed only one helper to hitch the team at the boat. After the team is hitched, the helper must stand back a distance prescribed by the judges.
33. If a teamster withdraws from pulling, it must be done prior to the loading of the boat or premium will be forfeited.
34. Any situations that may arise and are not covered by these rules, the decision will be left up to the discretion of the judges.

Connecticut’s Bristol Old Tyme Fiddlers Club

Preserve & Promote Old Tyme Fiddling!
Our Founder and President, Gerry Lagace, was impelled, as a member of the Old Fiddlers Club of Rhode Island, to start a fiddlers club in Connecticut. And so, on December 10, 1972, Gerry invited twelve local musicians to his folk’s home in Bristol to tell them how the Rhode Island fiddlers were active in playing their fiddles and promoting the “art” of old tyme fiddling. After hearing Gerry’s idea, these musicians wanted to persuade other fiddlers in the area, to take their fiddles out of their cases, rosin up their bows, and make them useful again. Thus was the beginning of the Connecticut’s Bristol Old Tyme Fiddlers Club!

QUILT OF VALOR WORKSHOP

The Association of Connecticut Fairs State Quilt competition will be presenting a Quilt of Valor at the Fall Annual Banquet.

The Quilts of Valor Foundation is a national organization founded in 2003 by “Blue Star” mom Catherine Roberts. With a son deployed in Iraq, a ‘Gunner’ sitting atop a Humvee she felt “only 10 seconds away from panic”. She had this vision of a post deployed worrier struggling with his war demons at 2 in the morning. She saw him sitting on the side of his bed wrapped in his quilt. The quilt not only comforted him but warded off the demons. Thus the QOVF was founded. The Quilts of Valor Foundation’s mission is to cover ALL combat service members and veterans touched by war with comforting and healing Quilts of Valor. Since its founding, Quilts of Valor has awarded over 153,071 quilts to veterans of military actions, conflicts and wars, including World War II, Korea, Vietnam, Beirut, Iraq and Afghanistan.

During the day of October 27th the State Quilt Contest will be hosting a Quilt of Valor workshop. Any quilter wanting to participate is welcome to make a 12” square that will be made into a Quilt of Valor.

The Workshop will be held at the Lyceum from 9:30 a.m. – 4:30 p.m. Our goal is to complete a Quilt of Valor by the end of the workshop. This is a free workshop offered but registration is requested. King Arthur
2018 ADULT BAKING CONTEST

Chocolate Babka

This overstuffed yeast loaf, filled with two kinds of chocolate, nuts, and cinnamon, is based on a traditional eastern European bread. A classic sweet bread, it’s usually shaped in a twist and topped with streusel. Babka is a perennial best-seller at Jewish bakeries in many major North American cities.

This recipe makes two rather large loaves: one to keep, one to give away. If you’d like to make just a single loaf, see “tips,” below.

Our thanks to Maggie Glezer, and her book, A Blessing of Bread, for the inspiration for this recipe.

INGREDIENTS:

Dough:
1 to 1 1/4 cups lukewarm water
2 large eggs
6 1/4 cups King Arthur Unbleached All-Purpose Flour
1/3 cup Baker’s Special Dry Milk or nonfat dry milk
2 tablespoons instant yeast, SAF Red or SAF Gold instant yeast preferred
1/2 teaspoon ground cinnamon
1/2 cup sugar
2 1/2 teaspoons salt
10 tablespoons unsalted butter, at room temperature* 
1 tablespoon vanilla extract
*Reduce the salt to 2 1/4 teaspoons if you use salted butter.

Filling:
1/2 cup sugar
1 teaspoon ground cinnamon
1/3 cup Double-Dutch Dark Cocoa, Triple Cocoa Blend, or the cocoa powder of your choice, Dutch-process or natural
1/2 teaspoon espresso powder
1/4 cup melted butter
1 cup finely chopped semisweet chocolate or semisweet chocolate chips, mini chips preferred
1 cup diced pecans or walnuts, toasted if desired

Glaze:
1 large egg beaten with a pinch of salt until well-combined

Topping:
4 tablespoons melted butter
1/2 teaspoon ground cinnamon
2/3 cup confectioners’ sugar
1/2 cup King Arthur Unbleached All-Purpose Flour

INSTRUCTIONS:

1. Combine all of the dough ingredients (starting with the lesser amount of water), mixing until everything is moistened. Add additional water if necessary to enable the dough to come together. Cover the bowl, and let the dough rest for 20 minutes. Then mix/knead it until it’s soft and smooth.

2. Place the dough in a lightly greased bowl, and cover the bowl. The dough is going to rise for about 1 1/2 to 2 hours, until it’s quite puffy.

3. Gently deflate the dough, and divide it in half. Set the pieces aside, covered, while you make the filling.

4. To make the filling: Combine the sugar, cinnamon, cocoa, and espresso. Stir in the melted butter. The mixture will look grainy and slick; that’s OK.

5. Shape each half of the dough into a 9” x 18”, 1/4”-thick rectangle. If the dough “fights back,” let it rest for 10 minutes to relax the gluten, then stretch it some more. Don’t be fussy about this; 19” or 20” is as good as 18”.

6. Smear each piece of the dough with half the filling, coming to within an inch of the edges.

7. Scatter half the nuts, and half the chopped chocolate/chips over each piece. If using standard-size chips, process them in a food processor first, to create smaller bits of chocolate and a less chunky filling.

8. Starting with a short end, roll each piece gently into a log, sealing the seam and ends. Working with one log at a time, use a pair of scissors or a sharp knife to cut the log in half lengthwise (not crosswise) to make two pieces of dough about 10” long each; cut carefully, to prevent too much filling from spilling out. With the exposed filling side up, twist the two pieces into a braid, tucking the ends underneath. Repeat with the other log. Place each log into a lightly greased 9” x 5” loaf pan.

9. Brush each loaf with the egg glaze. Mix together the topping ingredients until crumbly, and sprinkle half the topping over each loaf.

10. Tent each pan with plastic wrap, and let the loaves rise until they’re very puffy and have crowned a good inch over the rim of the pan, 1 1/2 to 2 1/2 hours. Towards the end of the rising time, preheat your oven to 300°F.

11. Bake the bread for 35 minutes. Tent lightly with foil, and bake for an additional 15 to 25 minutes (for a total of 50 to 60 minutes); the loaves should be a deep-golden brown.

12. To ensure the loaves are baked through, insert a digital thermometer into the center of one loaf. It should register at least 190°F.

13. Remove the loaves from the oven, and immediately loosen the edges with a heatproof spatula or table knife. Let the loaves cool for 10 minutes, then turn them out of the pans onto a rack to cool completely.

14. Slice the babka and serve it at room temperature; or reheat individual slices briefly in a toaster, if desired. Store any leftovers, well wrapped, at room temperature for several days; freeze for longer storage.

“TIPS FROM OUR BAKERS:”

• We love that this recipe makes two loaves; it’s great to be able to keep one, and have one to give away. If you want to make just a single loaf, though, simply cut all of the ingredients in half, and proceed as directed in the original.

• Note: A prior version of this recipe included alternate shaping directions. In case you’re looking for them, here they are, beginning with the rolled-out dough spread with filling: Starting with a short end, roll each piece gently into a log, sealing the seam and ends. Place each log of dough into a lightly greased 9” x 5” loaf pan. Just before baking, brush each loaf with the egg glaze; pop any air bubbles with a toothpick. Then, cut a deep vertical slash the length of each loaf, cutting through at least 3 layers. Bake as directed.
Whole-Grain Banana Bread

This one-bowl banana bread — our 2018 Recipe of the Year — uses the simplest ingredients, but is incredibly moist and flavorful. While the recipe calls for a 50/50 mix of flours (all-purpose and whole wheat), we often make the bread 100% whole wheat, and honestly? No one can tell, it’s that good! And not only is this bread delicious — it’s versatile. Check out our interactive recipe generator, Build Your Own Banana Bread, and discover how to personalize this bread to YOUR taste.

Baking gluten-free? For great results, substitute King Arthur Gluten-Free Measure for Measure Flour for both the all-purpose and whole wheat flours in this recipe; no other changes needed.

INGREDIENTS:

Batter:
2 cups thoroughly mashed banana; about 4 or 5 medium bananas
1/2 cup vegetable oil
1 cup brown sugar
2 large eggs
1 teaspoon vanilla extract
1 cup King Arthur Unbleached All-Purpose Flour
1 cup King Arthur White Whole Wheat Flour or Premium Whole Wheat Flour
1 teaspoon baking soda
1/2 teaspoon baking powder
1/2 teaspoon ground cinnamon
1/2 cup chopped walnuts, toasted if desired; optional*

Topping:
1 tablespoon sugar
1/2 teaspoon ground cinnamon

INSTRUCTIONS:

1. Preheat the oven to 350°F with a rack in the center position. Lightly grease a 9" x 5" loaf pan; if your pan is glass or stoneware, reduce the baking temperature to 325°F.

2. In a large bowl, stir together the mashed banana, oil, sugar, eggs, and vanilla.

3. Weigh your flours; you’ll find their weight by toggling to “ounces” at the top of the ingredient section above. Or measure them by gently spooning them into a cup, then sweeping off any excess. Mix the flours, baking soda, baking powder, salt, cinnamon, and chopped walnuts into the banana mixture. Scrape the bottom and sides of the bowl and mix again to thoroughly combine the ingredients.

4. Scoop the batter into the prepared pan. Mix together the sugar and cinnamon, and sprinkle over the batter.

5. Bake the bread for about 60 to 75 minutes, until the bread feels set on the top, and a paring knife (or other thin knife) inserted into the center comes out clean, or with just a few moist crumbs (but no wet batter). If you have a digital thermometer, the bread’s temperature at the center should register about 205°F. If the bread appears to be browning too quickly, tent it with aluminum foil for the final 15 to 20 minutes of baking. Note: If baking in a glass or stoneware pan, increase the baking time by 10 to 15 minutes.

6. Remove the bread from the oven. Cool it in the pan for 15 minutes, then loosen the edges, and turn it out of the pan onto a rack to cool completely.

7. Store leftover bread, tightly wrapped, at room temperature for several days. Freeze for longer storage.

“TIPS FROM OUR BAKERS”

If you enjoy this bread and want to try a 100% whole wheat loaf, go for it! Simply substitute 1 cup (4 ounces) whole wheat flour for the all-purpose flour listed, no further changes necessary. Want to go the other way? Substitute all-purpose flour for the whole wheat flour for a 100% all-purpose flour loaf.

Prefer butter to vegetable oil? Substitute 2/3 cup (5 3/8 ounces) melted butter for the 1/2 cup (3 1/2 ounces) vegetable oil.

If you’d like to reduce the fat in this recipe, try any of these substitutions, which will yield a loaf very similar in texture and moistness to the original:

- 1/4 cup (2 ounces) applesauce for 1/4 cup (1 3/4 ounces) of the vegetable oil
- 1/4 cup (2 ounces) yogurt (full-fat, reduced-fat, or nonfat) for 1/4 cup (1 3/4 ounces) of the vegetable oil
- 1/2 cup (4 ounces) full-fat yogurt for all of the vegetable oil (3 1/2 ounces)

Want to lower the fat even further? Substitute applesauce or yogurt (full-fat, reduced-fat, or nonfat) for all of the vegetable oil. Understand that the resulting loaf’s texture will be notably less tender.

Want to reduce the sugar in this recipe? Start by lowering it by 25%, from 1 cup (7 ounces) to 3/4 cup (5 1/4 ounces); the bread will (obviously) be less sweet, and also a bit less tender.

We love the slightly caramelized flavor brown sugar lends this loaf, but if all you have on hand is white granulated sugar — use it: 1 cup (7 ounces), same volume amount as the brown sugar. Or use 1/3 cup (4 ounces) liquid sweetener (honey, agave, or maple syrup) + 1/2 cup (3 3/4 ounces) brown sugar; increase the amount of all-purpose flour by 2 tablespoons (1/2 ounce) if you make this substitution.

Transition this recipe to gluten-free the easy way: substitute King Arthur Gluten-Free Measure for Measure Flour for both the all-purpose and whole wheat flours in this recipe; no other changes needed.

Want to bake and share? This recipe will make 15 standard-size muffins. Bake muffins in a preheated 350°F oven for 20 to 23 minutes, or until a thin paring knife inserted into the center of a muffin comes out clean.

Project Help the Homeless

Announcing Project Help the Homeless, a service project every club in our District, regardless of its size, can support. The concept is a simple one: collect one or more, or all, of the items listed below. These items will eventually be packaged into small backpacks or duffle bags, and will be distributed to homeless within your community.

Items to be collected can include:

- Personal care items (travel size works best), including deodorant, shampoo, bar soap, toothpaste, toothbrushes, combs, and gender-specific items, ie. shavers, feminine products, etc.
- Cold weather apparel, such as socks, hats, gloves, mittens
- Wash cloth and/or hand towel
- Personal size fleece blanket
- Food items, such as peanut butter or cheese-filled crackers, small canned meat or peanut butter, granola bars, juice box or bottled water, etc.
- Small cash donations, between $2-$5 per bag
- Bags, boxes or backpacks

As you can see, the possibilities are endless. These are just some suggestions; there is a long list of items we can incorporate into these kits.

Please discuss this matter as a club. Understand that this is meant to be an ongoing project within the District, and not a one-time-only commitment. You may consider partnering with one or more civic organizations or the social service agency within your community, or perhaps with the schools within your community. If you are willing to participate, you should identify one or two people in the club to chair this service project. The next step would be to identify the appropriate agency within your town to work with to set up a designated collection area. Suggested drop-off locations can include your town hall, local library, or your town schools (especially those with a Leo club, so they can be a part of your project). Once you have collected items, they will be combined with items collected by other clubs within the District, and then the bags will be assembled and distributed through Lions Clubs to local communities that have identified needs.

The goals of this project are multi-faceted. First, you will be helping your local government to identify and address the needs of the homeless within your community. Your club will become more visible within your community, and by demonstrating your concern for those less fortunate, you may actually attract new members interested in being a part of this initiative. Thank you.
