

# COMPASS

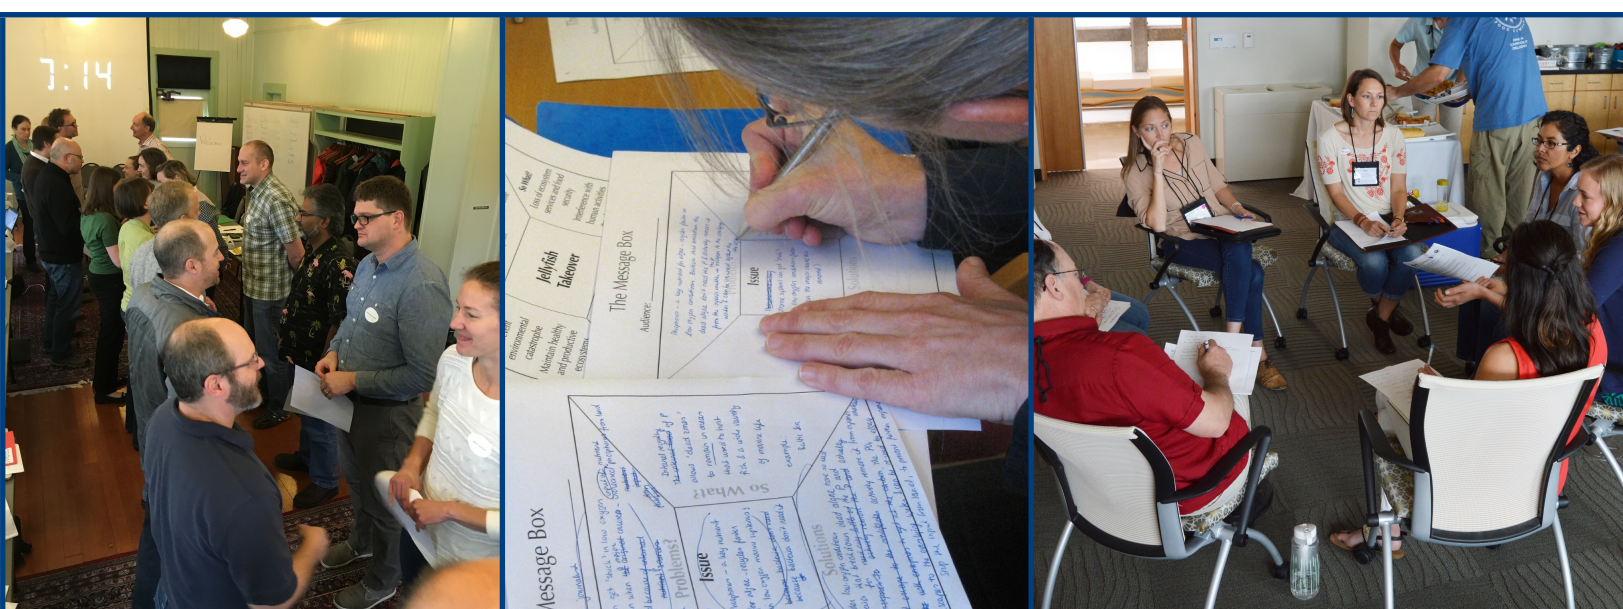

## Intro to Science Communication Workshop

Join us for a lively half-day workshop, with plenty of research-grounded insight and hands-on practice in science communication! We'll begin with an introduction to the Message Box, a powerful tool for sorting your thoughts into messages that are clear and compelling, then practice sharing those messages and giving and receiving feedback with the other participants. Participants will receive a copy of Escape from the Ivory Tower by Nancy Baron, and a hard copy of the Message Box Workbook.

Register on our website before March 3rd for Early Bird Pricing! \$250

Full Price: \$325

Learn more about COMPASS at [compassscicomm.org](http://compassscicomm.org). There will be a limited number of full scholarships available, applications due Feb. 24; more information on how to apply is available at <https://www.compassscicomm.org/seattle-workshop-scholarship>

April 3, 2019

8:30 am - 12:30 pm

ATLAS Workbase | 500 Mercer St | Seattle WA
