**ABOUT THE MARKET**

The Downtown Greenville Farmers' Market is a key component of a vibrant, diverse and exciting Downtown. It is designed to serve and bring together all segments of our community. It is a positive force in bringing people downtown to purchase fresh produce, baked goods and local crafts. The 20-week market is a showcase for the talents and the work of local artisans and local growers. The Downtown Greenville Farmers' Market is a project of Main Street Greenville.

## ADDITIONAL INFORMATION

### COMMUNAL TABLE

The Communal Table is intended to draw those producers that may have just a few items to sell that don't need a whole booth and/or don't have the time to be at the market. A communal table will be maned by a Main Street Greenville volunteer or Market Manager, Morgan Aultman, who will sell your products for you. A 15% commission is required for payment of this service. All products need to be dropped off no earlier than a 1/2 hour before market starts and need to be picked up no later than 15 minutes after the market. If items or money is not picked up, the items will be donated to a local soup kitchen and your profit will be held until the following Monday. Money may be picked up at the Main Street Greenville office.

### INFORMATION ABOUT VENDORS

To promote all the vendors, including communal, we will ask for a brief description of your product(s) and/ or farm. We will use this information with the promotion of the Farmers' Market. This is a way for the consumers to know the product and people they are buying from.

### VENDOR SET UP

Each vendor is given a spot not to exceed 12 feet in length. A pop up tent is permitted, however it must be weighted the entire market time. We ask that you bring your own tables, table coverings, and other display items. **All vendors need to be set up by 8:50 am.** Vendors are required to stay for the whole market unless product is sold out.

### PROMOTING THE MARKET

Main Street Greenville along with our market partners are joining forces to promote the farmers' market in downtown Greenville through websites, newsletters, email blasts, press releases, list serves, signage, banners, radio advertisement, facebook, rack cards and networks with other organizations.

### BOOTH RESERVATIONS

Vendor booths or spots will be reserved for market regulars. These spots will remain the same the whole season, allowing new vendors and "floaters" to fill in. The Market Committee has the right to reassign vendors if needed.

### EVENTS

Throughout the market season, events will be held to promote and enhance the market. Events to look forward to include:
