

FREEBORN AREA SOIL HEALTH TEAM PRESENTS

SOIL HEALTH JOURNEY

2019 BUS TOUR

A coach bus tour showcasing 3 different experience levels of farmers improving their soil health by using reduced tillage and cover crops. Discussions will include economics of management, the pros and cons of change, equipment modifications, herbicide and nutrient management, and popular soil health demonstrations.

Saturday, September 7th

7:30 am—3:00 pm

**Lunch provided—Pizza from Casey's
FREE event**

Depart from old Ellendale gas station at 7:30am

**3598 West Highway 30
Ellendale, MN 56026**

First Stop: Jim Nash

Beginner (1-2yrs)

In the first year of transitioning from conventional tillage to strip till/no till and cover crop usage.

Second Stop: Bob Wayne & Lisa Dunn
Intermediate (3-5yrs)

In their fourth year of transitioning from conventional tillage to strip till/no till and cover crop usage.

Third Stop: Mark Ditlevson

Veteran (6+ yrs)

Entire farm ridge tilled from 1987—2014. Have used cover crops since 2010. No-tilled farm since 2014, and added small grains into the rotation in 2017.

RSVP to Lindsey Zeitler by August 23rd to reserve your seat!
(507) 373 - 5607 Ext. 3 or Lindey.Zeitler@mn.nacdnet.net
