DARKNESS
COMMUNITY WALKS

American Foundation
for Suicide Prevention

Support "The Cucchinators"
as we walk in the
Out of the Darkness
Broward County Walk
in honor of **Dan Cucchi**
Sunday, November 10, 2019

My husband, Dan Cucchi, suffered from PTSD, and suffered in silence. He was a police officer and detective for 29 years. On September 15th, 2015, he died by suicide. Based on a 2017 figure, more officers died by suicide during the year than were killed in the line of duty. Approximately 12 officers die by suicide each month. I won't remain silent and let the stigma keep me from helping others who might be suffering in silence. I hope to encourage others to seek help.

You can make a donation on my page in honor of Dan, or become a member of our team "The Cucchinators". You can walk or be a virtual walker and honor of Dan or someone you have lost to suicide.

The walk is at Nova Southeastern University in Davie on November 10th. Check-in/Registration begins at 8:00 AM. The program begins at 9:00am; the walk begins at 9:30am and ends at 11:00am.

I hope you can join our team, "The Cucchinators" or make a donation. You can make a difference. Thank you! Lisa Ann Cucchi
