One order form per child. One check to cover multiple orders is fine. Books ordered via paper order form CANNOT be personalized and you will not get an e-yearbook. Paper orders must be received by 3pm on May 25, 2018. Price includes shipping to the school.

Why order online? Well, first off, if you're not a PTA member, you'll still save \$5 per book! Plus, you can create your own back cover and up to 4 pages for FREE! Order and upload photos here: <http://www.maplewoodptawa.com/yearbook> Online orders (with free bulk shipping to the school) and personalization are available until at least midnight May 25, 2018. After books have been ordered, you can still order, and personalize a yearbook, but you will have to pay shipping and it will come to your house.
