

Hitchin Binstallation 2017

The Bin Trail

If you'd like to be entered into a draw to win gelato for 4 at Fabios drop your answers off at Hitchin Initiative (1A Churchyard) by Sept 30th or email to Rachel.Campbell@CleanUpBritain.org. Winner will be picked at random. Have fun!

Which artist did the Chupa Chups painting printed on the bin located on Redhill Road?

The Sas & Yosh bin on Queen's Rd is outside what type of shop?

This bin is located outside Lloyds in town. How long do cigarette butts take to biodegrade? The answer is on it!

Kim Raymont makes brilliant prints of Hitchin. Other than the swimming pool (where this bin can be found) name one other local place on the design.

Another beautiful Sarah Graham design, located on Payne's Park. Name one animal which features.

Who is the designer of this super colourful, african inspired print which you'll find on Walsworth Rd?

Cathy Smale created this painting of St Mary's, which can be found on a bin on Walsworth Rd. Name one other place which features.

We brought this Dan the Scribble bin back as it's so darn colourful. You'll find it on Nightingale Road near MacDonalds. What colour is the smallest wheel?

This fantastic floral design is at the Roundabout at the top of Tilehouse Street. Name the gallery it's creator Emmeline Webb owns (clue - it's written on the bin!).

Another very 'Hitchin' design by Emmeline Webb which is located on the way in to the train station. Name any of the other buildings (apart from St Mary's) on the rest of the design.

The second Kim Raymont design celebrates Hitchin Town FC and is located on Brand Street. How many flags are on it?

Dan 'the Scribbler' Bramall created this HITCHIN bin (a Hitchbin?!) especially for the project. It's near Bancroft Park on Nightingale Rd. On which letter is Laurie riding his bike?!
