I would like to register the above player with Invicta Junior Ice Hockey Club for the 2019/2020 season.

I understand training fees are payable by electronic transfer on the 1st of each month over the 10-month season, from August 2019 to May 2020.

I understand failure to pay training fees will result in my child not being able to train or play in games, and that my child's EIHA registration will withheld by IJHC until all amounts due are paid.
