THE GRAND MARSHALL

LYNDA GAYLE (CHORLEY) COBB has been selected as the 2018 Lake Odessa Fair Parade Grand Marshall. The selection was made by the Lake Odessa Area Historical Society, of which Lynda has been an active and long time member.

Lynda was born on February 28, 1945, in Hastings, Michigan, the daughter of Loraine Doris (Anway) and Gaylord John Chorley. Her family also included her younger brother John Gaylord Chorley. Lynda grew up in Lake Odessa and attended school here. She was a cheer leader for six years and graduated with the Lake Odessa High School Class of 1961. On May 12, 1962, Lynda was married to Robert Lee Cobb, Jr. at her mother's home in Lake Odessa. That same year, 1962, Lynda graduated from Chic University of Cosmetology. Lynda and Bob had four children who grew up in this area and all graduated from Lakewood High School. Their children are: Brynda Kaye and Kevin Merryfield; Robert Lee III and Rachel Cobb; William John and Lydia Cobb; and Laura Loraine Cobb. Lynda has been blessed with eleven grandchildren and seven great grandchildren. Lynda and Bob shared their lives together farming and pursuing several other business ventures. Cobb's Corner was a familiar business in Lake Odessa during the 1980's. While Bob managed that business Lynda opened her own store called Cobb's Webb dealing in antiques and collectibles. She became well known in Lake Odessa for her knowledge of antiques and her business was well received. Cobb's Webb was in business for about five years. Lynda's interests have included bowling, collecting and travel. She has been involved in the community in many ways and has served on the Chamber of Commerce. Lynda has been a faithful Christian and is now involved with The Crossing of Lake Odessa. In 1993 Lynda was asked to be on the Board of Directors of the Lake Odessa Area Historical Society. Taking on that role was the first step in many years of dedication and preserving our local history. Lynda has actively supported the work of the Historical Society and has devoted much of her time to the preservation of the Lake Odessa Depot, the building of the Freight Station Museum, and its ongoing care. The Lake Odessa Area Historical Society recognizes the great contribution Lynda has given to our village and is privileged to honor her as this year's Grand Marshall.

Featuring David Dyer

David Dyer has been performing stand-up at comedy clubs and corporate events for over twenty years. He's worked with some of the best comics in the industry including Mike Birbiglia, Jim Breuer, and Lewis Black. He's been a contributing writer to NBC's "Late Night with Jimmy Fallon" and "ABC's Politically Incorrect". He's a regular on the nationally syndicated "Bob and Tom Show" and often appears on the roster for the "Friends of The Bob and Tom Show" comedy tour. He's the host of a new web series called "Sidecar Sessions" where he interviews guests who are sitting in the sidecar of his motorcycle as David pilots the bike around town. David created and currently stars in another web series called "Pillars" with co-star, Kevin Yon, that can be viewed on his website at www.daviddyercomedy.com.

w/Stu Mc-Something

Stu McCallister is a comedian who does comedian things. He has applied for many fests (almost as many rejections). He has attempted to get on late night television (same amount of rejections). He applied to be a radio show co-host (they weren't having it). He does however tour some, podcasts weekly (LMNOPodcast), hosts a monthly talk show, and manages to make people laugh once or twice if he is lucky.
