6. OCH Grant Applications – process and principles

Recommended Motions

- 1. The OCH Board of Directors approves the proposed principles and process regarding grant and funding opportunities outlined in this SBAR.
- 2. The OCH Board of Directors authorizes OCH staff to respond to the Rural Communities Opioid Response Program Implementation (RCCORP-I) funding opportunity for up to \$1,000,000 in collaboration with interested partners.
- 3. The OCH Board of Directors authorizes OCH to accept the Rural Communities Opioid Response Program Planning (RCCORPP) funding if approved by HRSA.

Proposed principles:

- Funding opportunity fits with OCH mission, goals, and priorities
- Documented community need
- Staff capacity to prepare and respond to opportunity
- Staff experience and credentials related to opportunity
- Partnerships (not in competition with others in the region)
- Sustainability
- Ability to develop a competitive proposal
- Worthwhile and commensurate funding amount

Proposed process:

- OCH staff become aware of and familiar with funding opportunity
- Staff crosswalk opportunity with principles
- If opportunity meets principles, staff bring opportunity to OCH Executive Committee and Board of Directors for discussion
- If timeline for funding opportunity does not align with above meetings,
 OCH staff will communicate with Executive Committee via email to
 determine path forward

Rural Communities Opioid Response Program – Planning (RCORPP)

<u>Funding Agency</u>: Health Resources and Services Administration (HRSA)

Dollar amount: \$200,000

<u>Timeline</u>: One year – June 1, 2019-May 31, 2020

<u>Summary</u>: This planning grant would allow for the formation of two new 3CCORP workgroups above and beyond current capacity. If funded, the new Workforce workgroup and Criminal Justice workgroup would be convened under the 3CCORP steering committee and the groups would collaboratively develop action plans in each area.

Notes:

- Jefferson Public Health also submitted a grant to this opportunity to support the work of the Community Health Improvement Plan to establish a crisis stabilization center in Jefferson County.
- A grant application for this opportunity was submitted by OCH in January, 2019.
- Kitsap county is excluded from this opportunity, as it is not a designated rural county.

Rural Communities Opioid Response Program – Implementation (RCCORP-I)

Funding Agency: Health Resources and Services Administration (HRSA)

Dollar amount: up to \$1,000,000

<u>Timeline</u>: Three years – September 1, 2019-August 31, 2022

<u>Summary</u>: HRSA will make approximately 75 awards of up to \$1,000,000 each to networks and/or consortia to advance substance use disorder (SUD), including opioid use disorder (OUD), service delivery in high-risk rural communities. Recipients will implement a set of core SUD/OUD prevention, treatment, and recovery activities that will align with the US Department of Health and Human Services' Five-Point Strategy to Combat the Opioid Crisis.

Notes:

- OCH reached out to 3CCORP partners in Clallam and Jefferson (Kitsap is ineligible for this opportunity) to learn which partners are considering an application and whether a collaborative application is possible. A call with interested partners was held on April 1.
- Deadline is May 5, 2019.
- On a technical assistance call, HRSA clarified that receiving a planning grant does not preclude an organization from also receiving an implementation award.

Current state of Arcora oral health LIN project:

- In December 2018, the OCH Board of Directors authorized the creation of an Oral Health Local Impact Network (LIN) steering committee with the MCO sector representative added to the proposed roster

- The Steering Committee has not yet formed and the contract between OCH and Arcora is not yet signed
- 21 OCH Change Plan partners are currently addressing oral health through MTP
