

# Fiber Trail Progressive Tour Itinerary

## Friday, April 12<sup>th</sup>

6:00 – 8:00 – Meet & Greet at Equinox Farm / Punkin's Patch (Tim & Sara Dunham)

Enjoy a relaxing evening on a small fiber farm just north of Lexington, making new fiber friends, two legged and four. The Punkin's Patch sheep are well practiced at the "meet and greet" and are quite happy to trade cookies for hands on sheep to sweater inspiration. The barn and Wool House will be open and Sara is happy to talk sheep, shepherding and spinning wool until your eyes glaze over. Tim will most likely just try to stick you on the tractor and send you out to mow. There will be wine and light appetizers. [www.myfavoritesheep.com](http://www.myfavoritesheep.com)
