

Why is the Ridgewood Library important to you?

We celebrate National Library Week each April and this year we would like to invite all interested residents to **share a few words about what the Ridgewood Library means to you during the public portion of the April 24 Village Council Meeting.**

Maybe you have:

- *Brought your children to a storytime*
- *Improved your English through our ESL Program*
- *Studied in a quiet space for an important exam*
- *Learned about new technologies in a MakerSpace program*
- *Mastered Excel through a computer class*
- *Met and made friends through a book club, movie screening, DIY craft*
- *Volunteered as a teen or adult*
- *Received great book recommendations from a staff that knows you*
- *Learned how to download e-books, magazines, movies and magazines*

Please consider sharing your thoughts with the Council and community.

Wednesday, April 24 @ 7:30pm
Village Council Meeting, Village Hall

Thank you!
