

# Kids & Critters

**Mosquitziller can  
be a killer!**

**Prevent and be content!  
Protect us!**

**Respond and keep  
our bond!**

**Be responsible and protect your pets!**

**Heartworm doesn't have to happen.**

**Prevention is the best intervention.**

**Take care of your pet. See your vet!**

Did you know that a mosquito has 47 sharp edges on the tip of its proboscis that allow it to cut through skin and even clothing?
