Year 2 visit the Royal Navy Museum

Year 2 visited the Royal Navy Museum at Hartlepool Marina as part of their new topic 'Land Ahoy!'

Children spent the morning aboard the HMS Trincomalee learning about the life of a sailor in the past. Children solved puzzles about food and practised tying rope into secure knots, later making their own rope to bring back to school! They navigated the ship and learned the important steps to fire a cannon!

Head lice

Anyone can get head lice... mainly through direct head-to-head contact but also from sharing hats, brushes and other personal items. Please do your part to prevent the spread of this condition by checking your child(ren) daily for the next few weeks, and on a regular basis thereafter. Lice infestation is much easier to treat if caught early. If you should discover a case of head lice, please notify us and notify the parents of your child's playmates. This is the best way to protect your family and community.
